Anny Bannany**

Dear Anny Bannany,

Help... I am an attractive, intelligent, gainfully employed Key's gal. My friends say I have everything, but I am lonely. I long for a meaningful relationship... I want a man. The trouble is all the guys I meet only want one thing... you know what. I just don't understand.

Signed,  
Confused

Dear Confused,

Honey, this is a fact, at least every couple of minutes the average man has a sexual thought. From what I hear, the pain can be excruciating both physically and mentally if they are not relieved of this inner demon. The side effects of not getting it are headaches, vomiting and diarrhea. If every girl would do her part to help these suffering men there would be many less angry, hostile, unhappy, unreasonable men on these wonderful islands - the Keys. It would truly be paradise!

Good Luck,  
Anny Bannany

Amy Chinae  
Queen of the Jungle**

Many of you may remember a few years back when Gilbert's Resort was "Family Paradise Island" and the previous owners literally had a menagerie of animals all around the property. There were marmosets, there were Alaskan huskies, there were parrots, and there were even some Prairie Dogs. Amy Chinae has been working at Gilbert's Tiki bar for 9 years and was in charge of caring for all the animals, it's a task that just comes naturally for her. When the current owners took over the Resort they went about finding happy homes for all the animals.

you can try your luck at grabbing one with a claw arm. Amy thought it was just downright cruel to the lobsters and is very happy that now they no longer exist. Amy loves her job. She loves the locals. She loves her co-workers. She loves her bosses, Reinhard, Karina, George and Susie. "They have worked hard to make this place at and visit. This is one big happy family to them. It has been fun watching the business grow with the addition of bigger bands and the outside raw bar" says Amy. Danny is her favorite customer, he comes in every Monday to see her tells us "Amy is prettier than a pink eyed Possum". Dave, a retired live aboard and regular says, "I love Amy. She is probably the nicest gentlest person in the world. She takes care of animals and people too". Amy brings her dog Rhiannon, who she rescued in Puerto Rico, to work with her most nights. Stop in and visit them both!
