## Artist of the Month Susie Tempkin

The Coconut Telegraph has  
chosen Susie Tempkin for  
Artist of the Month because  
of her unique clothing  
designs. In her shop, "My  
Boutique" 80925 Overseas  
Highway in Islamorada (In  
the strip mall across from  
TIB Bank) you will find her  
hard at work either in the  
back room at her sewing  
machine making one-of-a-kind  
denim skirts and jackets or  
designing jewelry.

She graduated from  
Sheridan Vocational School in  
Ft. Lauderdale where she won  
awards in Fashion Design. As

a resident of the Keys for  
20 years she knows what  
the Locals and Visitors want,  
there is something for  
everyone in her shop. She  
caters to the workingwoman,  
but there are also casual  
clothes, shoes, bags and gift  
items. We purchased a tee  
shirt that reads on the front  
"I am a virgin" and on the  
back it says "This is an old  
shirt" for a college student.  
The shop is open Tuesday  
through Saturday from  
11 AM to 5 PM. She in-  
vites everyone to stop in  
and browse.

## Animal Care Clinic Makes Announcement

All pet owners understand  
the importance of having a  
veterinarian we can trust to  
provide medical care to the  
smallest members of our  
families. For many of us Dr.  
Fred Peacock has been that  
veterinarian for as long as we  
can remember. The staff at  
Animal Care Clinic  
understands this and would  
like to inform our clients that  
Dr. Peacock has sold his  
practice and will go from  
being a full time veterinarian  
and part time fisherman, to  
full time fisherman and part  
time veterinarian.

Although Dr. Peacock  
will continue to practice at  
the clinic two days a week,  
it is with great pride that  
we here at Animal Care  
Clinic wish Dr. Peacock...  
"God Speed, Fair Winds and  
Following Seas." Animal  
Care Clinic is committed to  
and will continue to provide  
top quality medical care for  
your pets with our new  
owner, Dr. Geoff Bailey  
(Most of us already know and  
love him). Dr. Bailey, your  
staff and community would  
like to say... "Welcome  
Aboard, Doc!"
