## Things you won't hear a true fisherman say:

- "Wow, I've never caught a fish that big!"
- "Hey! Lets take our wives fishing!"
- "My truck can't get through that!"
- "Lets go shopping, fishing can wait."
- "Hank, those hip boots make your butt look big and they don't match your belt!"
- "Hey, we don't need to buy those fishing flies Melvin, lets send our wives flowers instead".
- "I don't think Duct Tape will fix that."
- "I caught all those rainbows on nightcrawlers."
- "I feel pretty guilty not washing those breakfast dishes before coming out here to fish!"
- "Hey, somebody come land this Snook for me. I need to straighten up the boat".
- "I can't fish the tournament because Mary and Max are having a jewelry party and I really need to buy my wife a ring".
- "I think electronic fish finders should be banned".
- "Why did you bring all that beer?"
- "C'mon, we can watch fishing anytime. Figure skating is on!"
- "We gotta throw this fish back, I don't think it will fit in the frying pan".

## How smart is Your Right Foot?

Just try this. It is from an orthopedic surgeon... This will boggle your mind and you will keep trying over and over again to see if you can outsmart your foot, but you can't. It's preprogrammed in your brain!

- WITHOUT anyone watching you (they will think you are GOOFY...) and while sitting where you are at your desk in front of your computer, lift your right foot Off the floor and make clockwise circles.
- Now, while doing this, draw the number "6" in the air with your right hand!

Your foot will change direction. I told you so!!! And there's nothing you can do about it!

You know how stupid it is, but before the day is done you are going to try it again, if you've not already done so !!!
