

Restaurant of the Month Bayside Grille

Bayside Grille, located at MM 99.5 is home to Key Largo's best view and island cuisine, a pretty hard combination to beat. It sits on the water's edge on the Florida Bay at Sunset Cove.

The DiGiorgio family also owns and operates the well-known Cafe Largo, which is directly in front of Bayside Grille. Just turn right at Cafe Largo and head towards the sunset.

The bistro style dining room is elevated 15 feet to allow you a birdseye view of the bay and all it's activity. Enjoy the fantastic view and beautiful sunsets from every table in the restaurant or if you prefer al fresco on the outside wrap around deck.

While seafood reigns at Bayside Grille with fresh local Yellowtail, Dolphin (Mahi Mahi), Florida

Lobster, Stone Crab and Tuna another tempting alternative is the hand-cut "Certified Angus Beef" meticulously prepared steaks. House specialties include:

Caribbean Flank Steak, Caribbean Florida Lobster, Cheddar Crusted Dolphin, Citrus Crusted Yellowtail, Cracked Conch, Rack of Lamb roasted many different ways, 12 ounce center cut Pork Chop, Meatloaf, Key Lime Chicken and much more. The daily lunch, dinner and wine specials highlight a creative menu.

Bayside Grille is known for their martinis. Have Jim the bartender whip up one of his famous Trumptinis, Trump vodka served extra chilled and slightly dirty with olives, or try Ruthanne's Pomegranate Martini, Three Olive's Pomegranate

Vodka, Pomegranate Liqueur and pomegranate-cherry juice, delicious!

Bayside Grille is located in Key Largo behind Cafe Largo.

Bayside's bartender Jim is famous for his Trumptinis.

Bayside Grille is located right on the Florida Bay. While dining you can enjoy the fantastic view and beautiful sunsets from every table in the restaurant.

Bayside Grille offers bistro style dining, a full bar and a wide selection of food on the menu.

The DiGiorgio family invite you to come in and experience food derived from centuries old family recipes, their extensive and well known wine list and cutting edge liquor selection.

Bayside Grille is not only the first choice for a power lunch or entertaining important clients but a tourist destination as well, and with the sunset in mind, romantic dining at it's best.

Potty Humor Bathroom Stall To Do's

20 things to do in the bathroom stall...

1. Stick your palm open under the stall wall and ask your neighbor, "May I borrow a highlighter?"
2. Say "Uh oh, I knew I shouldn't put my lips on that."
3. Cheer and clap loudly every time somebody breaks the silence with a bodily function noise.
4. Say, "Hmmm, I've never seen that color before."
5. Drop a marble and say, "Oh no! My glass eye!"
6. Say, "Darn, this water is cold."
7. Grunt and strain really loud for 30 seconds and then drop a cantaloupe into the toilet bowl from a high place six to eight feet. Sigh.
8. Say, "Now how did that get there?"
9. Say "Humus. Reminds me of humus."
10. Fill up a large flask with Mountain Dew. Squirt it erratically under the stall walls of your neighbors while yelling, "Whoa! Easy boy!!"
11. Say, "Interesting... more sinkers than floaters."
12. Using a small squeeze tube, spread peanut butter on a wad of toilet paper and drop it under the stall wall of your neighbor. Then say "Whoops, could you kick that back over here, please?"
13. Say, "C'mon Mr. Happy! Don't fall asleep on me now!!"
14. Say, "Boy, that sure looks like a maggot."
15. Say, "Darn, I knew that drain hole was a little too small. Now what am I gonna do?"
16. Play a well-known drum cadence over and over again on your butt cheeks.
17. Before you unroll toilet paper, conspicuously lay down your "Cross-Dressers Anonymous" newsletter on the floor visible to the adjacent stall.
18. Lower a small mirror underneath the stall wall and adjust it so you can see your neighbor and say, "Peek-a-boo!"
19. Drop a D-cup bra on the floor under the stall wall and sing "Born Free."
20. Take a Snickers candy bar in the stall with you and when someone is next to you, squish it in your hand and reach under the stall wall and say, "You got any more toilet paper over there, this side is completely out."
