7. Look at the size of his putter!
6. Keep your head down and spread your legs a bit more.
5. Mind if I join your threesome?
4. Stand with your back turned and drop it.
3. My hands are so sweaty I can't get a good grip.
2. Nice stroke, but your follow through has a lot to be desired.

# Coco 'Nut' Funnies

Do you really know your theology?  
Who was the 3rd man in history to walk on water?

The 1st one was Christ...

The 2nd one was the apostle, Peter...

Then there was this guy, Jose...

Two little kids are in the hospital, lying on gurneys next to each other outside the operating room. The first kid leans over and asks, "What are you in here for?"

The second kid says, "I'm in here to get my tonsils out and I'm a little nervous."

The first kid says, "You've got nothing to worry about, I had that done when I was four. They put you to sleep, and when you wake up they give you lots of Jell-O and ice cream. It's a breeze."

The second kid then asks, "What are you here for?"

The first kid says, "A circumcision."

The second kid says, "Whoa, Good luck buddy! I had that done when I was born. Couldn't walk for a year."
