## Bartender of the Month Mary Metacarpa Lookout This Scorpio Can Get you Hitched

"What about Mary?", Captain Rick Winters has been saying for months now. "She's a great bartender!" And that she is....

Richard Donnelly, the manager of Coconuts even coughed up a compliment. "Mary is dependable, loyal, a good worker and the customers love her".

Mary tells us that she originally started working for the Stokeys. "They took me under their wing and taught me how to be a bartender and I discovered that I love it. Now, at Coconut's I have developed a regular customer base that are my friends. The owners here are very supportive, they are hands on Managers and Richard is a great boss, he has a big heart. You must

try the food, it's awesome, especially the Tuna Taco's, Shrimp Salad and the Chicken Wings are the best in town".

An avid Nascar fan, Mary's birthday is November 4th, a Scorpio, so you know

we mean avid. Her favorites are

Ryan Newman and Jeff Gordon

although she has become friends with Tony Stewart's crew, they

always show up after the race to party with Mary. John Mullen

whispers "Mary doesn't miss a thing. She has ears in the back of her head."

And DJ Dave from Clear Channel says, "Mary is my favorite bartender at Coconuts, she has been a bartender here so long that people have gotten married because of her."

Mary has been a bartender at Coconuts so long people have gotten married because of her," says D.J. Dave.
