Bartender of the Month Renee Wind of Paradise Pub

Renee Wind is a Pub owners dream come true. Two years ago she stopped by the Paradise Pub for a Cheeseburger in Paradise. After eating it she tracked down the manager Jay and said "Oh, my God! That is the best burger I've ever had! Are you hiring?" Next thing you know she became a bartender along with all her other skills. She works Saturday and Sunday nights and fills in whenever they need her to. "I love the Pub," says Renee. "We have the best burgers and wings in town!" Her co-worker, Dawn Barton, a former Bartender of the Month, tells us, "Due to my recent CRS it's a godsend to have Renee here to remind me of things. She is a big help and I love working with her. It's always fun!"

A regular customer Dave-o tells us, "Renee is a combination of intelligence and beauty that is rarely found." Renee also recently opened "Valley of the Diva's" at the U-haul Flea Market. She is awaiting permits to move the business to the Pink Plaza the first of the year.

"Renee is a combination of intelligence and beauty that is so rarely found." says regular customer Dave-o.

"Valley of the Diva's" features Victoria's Secret clothing at 70% off and other name brand designer clothing, shoes and handbags. This writer can't wait to clear out all the size 8 sex pumps.

So one would wonder, what does Renee do in her spare time? She takes care of her "hunky" boyfriend Brian Heiter, owner of Oasis Electric Solutions.

Congratulations Renee, you are Bartender of the Month number 12!
