## How to Shower Like a Man:

Take off clothes while sitting on the edge of the bed and leave them in a pile.

Walk naked to the bathroom. If you see wife along the way, shake wiener at her while making the woo-woo sound.

Look at your manly physique in the mirror.

Admire the size of your wiener and scratch your ass.

Get in the shower... Wash your face and your armpits.

Blow your nose in your hands and let the water rinse the snot off.

Fart and laugh at how loud it sounds in the shower.

Spend majority of time washing privates and surrounding area.

Wash your butt, and be sure to leave those coarse butt hairs stuck on the soap.

Wash your hair. Make a shampoo Mohawk. Pee. Rinse off and get out of shower.

Partially dry off.

Fail to notice water on floor because Curtain was hanging out of tub the whole time .

Admire wiener size in mirror again . Then leave shower curtain open, wet mat on floor, light and fan on.

Return to bedroom with towel around waist.

If you pass wife, pull off towel, shake wiener at her and make the woo-woo sound again.
