Tips for Ladies in 2008

- Aspire to be Barbie - the bitch has everything.
- If the shoe fits, buy one in every color.
- Take life with a pinch of salt, a wedge of lime, and a shot of tequila.
- Get a support group... Have cocktail hour with the girls!
- Go on the 30 day diet. (I'm on it and so far I've lost 15 days).
- When life gets you down - just put on your big girl panties and deal with it.
- Let your greatest fear be that there is no PMS and that is your personality.
- Don't get your knickers in a knot, it solves nothing and makes you walk funny.
- When life gives you lemons - turn it into lemonade and mix with vodka.
- Remember every good looking, sweet, single male is someone else's ex boyfriend.
