

# Letters to the Editor

"Hey Jimmy!!! You didn't invent MARGARITA'S either!!! How about taking some advice from The Conch Republic Coconut Telegraph and giving something back to the community! Word on the "Coconut Telegraph" is that you're getting a little greedy! Check out our BLOG at [www.coconuttelegraphinkeylargo.blogspot.com](http://www.coconuttelegraphinkeylargo.blogspot.com). We have our slingshots and Margaritas ready!"

- Esther Fernandez, Key Largo

"That sucks that Buffett is requesting you change the name of your newspaper! We definitely believe that it is a slang language down here. No matter what happens, we love your newspaper and will read it no matter what it's called".

- Dale and Elizabeth Henderson, Key Largo

"There is no economic injury to Jimmy. His newsletter is free. How is he going to be injured?"

- Dan Schramm, CEO GLINN Media Corporation, Key West, FL

"UNBELIEVABLE that Buffett is suing you. Sign me up for any assistance against him. That is just beyond ridiculous. I guess he has nothing better to do. Him, play for charity here... wouldn't hold my breath, but good luck."

- Michelle Adams

To quote Jimmy Buffett, "You know, as a writer, I'm more of a listener than a writer, cuz if I hear something I will write it down." So, he heard about the coconut telegraph in the Keys, wrote it down and now owns it? He said that He coined the phrase? What a bunch of crap!

Screw Buffett! My name is Bo Fodor. I have been a musician in Key West since 2000. One thing I hate about Buffett is he refuses to hire local musicians and brings bands from out of state to Margaritaville. So, I would do anything to help you with your situation. If you want to have a benefit or music at your protest, feel free to call me anytime. Maybe you should post his lawyers phone number and let all that support you call them and tell them how ridiculous it is. Behind you all the way!

- Bo Fodor
