

Signs You're Going to Have a White Trash Thanksgiving

- Little sister Sue catches Mama adding a box of ex-lax to her special brown gravy to insure that everyone will "be regular" afterwards.
- Cousin Mikey shows up with his new bride, his three-quarters sister Julie who is his sister by his father and his oldest full sister.
- Cousin Jen shows up wearing her new mink stole that has a blaze-orange circle--and-slash painted on the back of it and proudly displays her summons for court date to answer for beating the crap out of the animal rights activists who ruined her new coat.
- Brother Bobby, who just flew in from some South American country keeps popping up like a jack-in-the-box and fiddling with his "piece" in a low profile belt holster while nervously spying from the kitchen window up and down the street with binoculars.
- Uncle Max coughs and sputters up in his rusty old pickup and asks if anyone has a pouch of "Redman" chewing tobacco that he can shove down into the transmission to keep it from leaking all the fluid out until he can make it back home.
- Aunt Carly shows up with Carole, who is her new best

- friend as well as being her current parole officer and live-in lesbian lover who is also an associate producer on The Jerry Springer Show.
- Second cousin Billy Joe brings as his guest his current analyst, who's doing his doctoral thesis in primitive societal familial subcultures.
- Uncle Peter, who is legally blind but can see some shapes, colors and shadows shows up stone drunk and keeps "accidentally" bumping into all the women and copping feels as he seeks to regain his balance.
- 13 year old cousin Timmy asks his uncle Bobby if he can borrow his thermal-melt scale device so he can check the purity of an eight-ball "rock" he just bought from your Dad.
- Uncle Ralph serves the turkey flambé by pouring his famous homemade 'shine all over it and igniting it with a flick from his unfiltered Camel cigarette, creating a ball of flame that alights what hair is left on his head and gives third-degree burns to his balding pate, filling the trailer with the stench of roasting human as well as turkey flesh, as 911 is called for the second time on this special Thanksgiving holiday.
