Jack-squatch does his best work sitting down and uses lots of paper.

Doc Squatch Bailey tells us that Big Foot organs are virtually the same as humans, only bigger.

Robbysquatch says, "I do all my grocery shopping at Keys Kritters. It's better than munching on a Key Deer."

Chris Seaversquatch loves landscaping because he feels right at home in the jungle.

Bobby Stokeysquatch says "I'm a very busy squatch. I own and run a bunch of excellent restaurants. I'm also an EMT and I don't have time for those lazy Big Foot hunters. My advice to them is - get a real job!"

Little Matthewsquatch loves the chicken fingers at the Pilot House Restaurant. If you mess with his lunch he'll sic his big sister on you.

Gary Dunnsquatch invites everyone to his Ocean View Sports Bar. "Those hairless Big Foot hunters should be shot. Bring them here and I'll tackle them, then they'll know how it feels to be squatched."

Howard Snappersquatch says, "Come to the Turtle Club with me and DJ Davesquatch to see Big Foot hunters having fun. We'll put those hunters on the air and rip them a new one."

Martysquatch is the official sasquatchian stylist.

Nola Squatch at First State Bank doesn't believe in discrimination of Sasquatches. "I've been helping them with their banking needs for years."

Tatoo Brucesquatch know's how to relax after a long day of work.

"I'm the owner of Gilbert's Resort," says Reinhardsquatch from the German Big Foot tribe. "We cater to many europeans and everyone knows we don't like to shave."

# Dear Anny Bannany

Dear Anny Bannany,

I am a Big Foot, otherwise known as a Sasquatch. I was horrified to see on the news that they had caught one of us in Georgia and heartlessly stuffed him in a freezer and then I found out that it was all just a joke. I should have known because there are no Sasquatches in Georgia, we all live in the Fabulous Florida Keys. We are respectable hard working business people that hate being exploited. I was so devastated to think that those scumbag Big Foot hunters had killed one of my cousins that I became physically ill. Dr. Bailey gave me a prescription to ease my diarrhea and keep me off the toilet but I'm still suffering from clumped up dingle berries and will have to get a complete butt wax. Do you have any idea how stupid a Big Foot looks in a bikini with a waxed butt? I'm ashamed to show my ass in public! Help!

Dear Rosie,

You are not alone. Anny Bannany suffered the same. I begged Marty Squatch at Kat's Little Hair House to ease my discomfort but he took one look at my hairy bush and sent me back to Dr. Bailey to be groomed. Now I feel like a new woman, so I jumped in my Hummer and headed to Valley of the Diva's where I shot my wad on some sexy clothes. Thank God my friend Dawn Squatch was there to help me. As for those scumbag Big Foot hunters...lets invite them to the Keys and take them fishing.

Signed,
