Capt. Wade MacKay and
WORZ FM's Frank Patterson

As an advertiser with WORZ FM, I know that I am targeting the business that will help me succeed in this difficult market. WORZFM.com gives me the opportunity to communicate with members and guests before they arrive so that they may make reservations to rent a boat well in advance.

WORZ 104.3 FM has been part of Ocean Reef Club and Anglers Club for 15 years, the same amount of time I have owned the Boat Rental at Ocean Reef. When I advertise, I am telling the Ocean Reef & Anglers Club members that I support their only radio station.

With Ocean Reef Radio I get more bang for my buck; I know that members and guests listen because I not only get business from my advertising but I hear others listening to the station for the dive and fishing reports as well as the only full time source for news and information at Ocean Reef & Anglers Club!

I know that WORZ 104.3 FM & WORZFM.COM can give me the lowest spot rate for advertising to reach the largest number of members and guests of both communities. I am glad to be one of only 45 accounts that will have access to WORZ FM this coming season!
