## Coco 'Nut' Funnies

### Dear Under 30 Crowd

When I was a kid, adults used to bore me to tears with their tedious stories about how hard things were. And I remember promising myself that when I grew up, there was no way would lay a bunch of crap like that on my kids about how hard I had it and how easy they've got it!

You've got it so easy! I mean, compared to my childhood, you live in a damn Utopia! And I hate to say it, but you kids today, you don't know how good you've got it!

I mean, when I was a kid we didn't have The Internet.. If we wanted to know something, we had to go to the damn library and look it up ourselves, in the card catalogue!!

There was no email!! We had to actually write somebody a letter - with a pen! Then you had to walk all the way across the street and put it in the mailbox and it would take, like, a week to get there! Stamps were 10 cents!

Child Protective Services didn't care if our parents beat us. As a matter of fact, the parents of all my friends also had permission to kick our ass! Nowhere was safe!

There were no MP3's or Napster's! If you wanted to steal music, you had to hitchhike to the damn record store and shoplift it yourself! Or you had to wait around all day to tape it off the radio and the DJ would usually talk over the beginning and @#\*% it all up!

We didn't have fancy crap like Call Waiting! If you were on the phone and somebody else called they got a busy signal, that's it! And we didn't have fancy Caller ID either! When the phone rang, you had no idea who it was! It could be your school, your mom, your boss, your bookie, your drug dealer, a collections agent, you just didn't know!!! You had to take the chance and just answer.

We didn't have any fancy Sony Playstation video games with high-resolution 3-D graphics! We had the Atari 2600! With games like 'Space Invaders' and 'Asteroids'. You actually had to use your imagination!! And there were no multiple levels or screens, it was just one screen... forever! And you could never win. The game just kept getting harder and harder and faster and faster until you die! Just like LIFE!

You had to use a little book called a TV Guide to find out what was on! You were screwed when it came to channel surfing! You had to get off your butt and walk over to the TV to change the channel! There was no Cartoon Network either! You could only get cartoons on Saturday Morning.

And we didn't have microwaves, if we wanted to heat something up we had to use the stove! Imagine that! That's exactly what I'm talking about! You kids today have got it too easy. You're spoiled. You guys wouldn't have lasted five minutes back in 1980's or before!

Regards,  
The Over 30 Crowd
