Catriona (Trina) Birnie founded the Upper Keys Youth Association (UKYA) in 1989. At that time there was no YMCA or anything else for the kids of the Upper Keys. She provided a drug- and crime-free environment for kids ages 5-18 years old. There was never a charge to attend the center. The children were taught responsibility by earning their own money for trips, etc.

Trina fought an uphill battle for many years to defend and help over 600 children. Most of these children have now grown into productive adults. She lost the youth center building in 2000 due to rent and costs going up, but still continues to help as many children as she can. Trina was also a volunteer foster parent to over 20 kids.

Trina suffered a heart attack in October and is recovering. She needs help paying her bills until she can work again.

**Please come out for a wonderful afternoon of community and caring, and help Trina get through this tough time.**
