

Mrs. Florida American Dream 2009

Mrs. Lisa Lansden of Tavernier has been chosen to represent Florida as Mrs. Florida American Dream 2009. She is the wife of Dr. True Lansden and the mother of four sons, Tommy, David, Tyler and Michael and the grandmother of one grandchild, Perry. Lansden has resided in the Florida Keys for the past five years and is the Office Manager of The Florida Keys Center for Plastic Surgery's two locations.

Lansden was born and raised in Mississippi and is the daughter of William and Carolyn Vineyard. Lansden attended The University of Southern Mississippi where she majored in Education and Criminal Justice.

Recently, Lansden had the honor of being the very first Mrs. Florida Keys America in 2008 and Mrs. Florida Keys United States 2009. She has developed project "Inspiration" and is in the process of renovating the bedrooms at the Florida Keys Children's Shelter. She has also been active in Relay for Life,

project "Wounded Warriors", the Good Health Clinic, as well as providing free skin cancer screenings for all Florida Keys residents at The Florida Keys Center for Plastic Surgery. Prior to this Lansden also organized a massive relief effort for the victims of Hurricane Katrina where essential items were donated by Florida Keys residents, gathered and packaged with the assistance of the Coral Isles United Church of Christ, and then delivered to the ravaged area, first by truck and then with the assistance of the United States Coast Guard. She looks forward to her year as Mrs. Florida promoting breast cancer awareness and the importance of volunteerism. Lansden enjoys modeling, photography, art and playing the piano. As Mrs. Florida she will compete in the national pageant to be held in October and she will continue traveling the State of Florida promoting her causes.

The Coconut Telegraph is proud of Holly Stewart, and it's not just because she was voted "Best Bartender" at the 18th Annual Island Fest presented by the Islamorada Chamber of Commerce, but because she is a really great person.

Several years ago, the late Jack Webb and I decided to do a benefit for Brandon Beyer, a 5-year-old boy who needed serious brain surgery. When Holly got wind of it she called me right away to

volunteer. She told me, "I went to school with his parents, they are my friends and I want to help." And help them she did. She jumped right in and collected donations and stayed late the night of the event serving hotdogs. She volunteered from her heart and

wanted no recognition.

Holly is well known as she has lived in the Keys since the age of 8. She has only been a bartender for a year and a half at the Island Grill, but everything she does she does well. Her bright smile and sparkling personality make her a favorite.

At this year's Annual Island Fest several bartenders competed taking 2-hour shifts over the 2-day contest. Holly received the most votes and has a plaque to prove it. Her co-workers have hung it at the Island Grill Tiki Bar and are also very proud of her.

Holly, the owner of HS Events, is also a wedding planner. Thinking of getting hitched? Call Holly Stewart at 305-393-5030 or just stop by the Island Grill where the t-shirts say "A little taste of the good life".
