 Mom, and it will bond with you." You can take your new baby home when it's very young, but you'll need 3 days of training with Sherry to learn the proper feeding technique. She also recommends that if you have a family, everyone should take turns feeding the newcomer so it bonds with everyone.

In addition to birds available for sale, Sherry's devoted attention has made Keys Kritters renowned for

bird boarding. Boarders have their own air conditioned room as well as their custom cuisine. Better than the motel at South of the Border; I can guarantee it. Stop in and see the parakeet mom who has teeny-tiny little babies inside a privacy box in the cage. From the little finches to the majestic macaws, Sherry will be happy to tell you all about them. See the Keys Kritters ad in this issue for location and phone number.

Don't Let Negative People Bring You Down

Think about this when negative people who know nothing and care less try to make you miserable.

A woman was at her hairdresser's getting her hair styled for a trip to Rome. She mentioned the trip to the hairdresser, who responded: "Rome? Why would anyone want to go there? It's crowded and dirty. You're crazy. So, how are you getting there?"

"We're taking Continental," was the reply. "We got a great rate!"

"Continental?" exclaimed the hairdresser. "That's a terrible airline. Their planes are old, their flight attendants are ugly, and they're always late. So, where are you staying in Rome?"

"We'll be at this exclusive little place over on Rome's Tiber River called Teste."

"Ugh, I know that place. Everybody thinks it's gonna be something special and exclusive, but it's really a dump."

"We're going to go to see the Vatican and maybe see the Pope."

"That's rich," laughed the hairdresser. "You and a million people trying to see him. He'll look the size of an ant. Boy, good luck on this lousy trip!"

A month later, the woman

again came in for a hairdo and the hairdresser asked her about her trip.

"It was wonderful," explained the woman, "we on one of Continental's brand new planes, and even got bumped up to first class. The food and wine were wonderful, and I had a handsome young steward who waited on me."

"And the hotel was great! They'd just finished a remodeling job, and now it's the finest hotel in the city. They were over-booked, so they gave us their owner's suite at no extra charge!"

"Well," muttered the hairdresser, "but I know you didn't get to see the Pope."

"Actually, we were quite lucky, because as we toured the Vatican, a Guard tapped me on the shoulder, and explained that the Pope likes to meet some of the visitors, and if I'd be so kind as to step into his private room the Pope would personally greet me. Sure enough, minutes later, the Pope walked through the door and shook my hand! I knelt down and he spoke a few words to me."

"Oh, really! What'd he say?" He said: "Who messed up your hair?"

Monitoring a Woman's Mood

My husband, being unhappy with my mood swings, bought me a mood ring the other day so he would be able to monitor my moods.

We discovered that when I'm in a good mood, it turns green.

And when I'm in a bad mood it leaves a big red mark on his forehead.

Maybe next time he'll buy me a diamond.
