Buffie's Flip Flop Dance Hop at Coconuts

Buffie and Josiah

The dancers at the Flip Flop Dance Hop.

Bartender of the Month Breanna Northcutt at Coconuts

Breanna Northcutt is a very impressive and beautiful young lady with a bright future in front of her. She works two jobs to put herself through college and is a self confessed "computer nerd" with a Bachelors Degree in Mass Communications who is in her first year of Grad School.

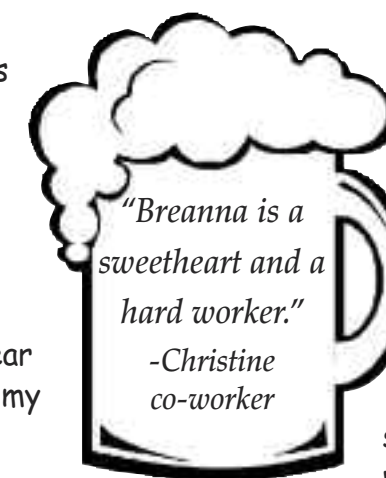

"I moved here from Nashville, Tennessee a year ago to be near my relatives Carol Silverman, and Jackie and Bob Silverman the owners of KLI," she tells us while she pops bottled beer caps on a busy Wednesday Ladies Night at Coconuts. "I love Coconuts! It is the closest thing the Upper Keys has to a night club."

While Breanna works the

bar the dance floor is alive with Buffie Sherman's Wednesday Night Flip Flop Dance Hop where professional break dancers from all over come to compete to win prizes while they hone their skills. As she works and tells us

more about herself someone drops a snake around Breanna's shoulders, eek! We snapped a picture. Christine, a co-worker of Bree's, says with a smile "Breanna is a sweetheart and a hard worker." You can't tell by looking at her but she can ride a 4-wheeler better than most guys!" I believe it.

I asked Bree if she would like to tell the Coconut Telegraph readers anything and she didn't hesitate to reply, "Yes! I am single, a lot of fun and I love southern gentlemen!"

"Breanna is a sweetheart and a hard worker."
