

Reduce Plastic Bag Usage in The Florida Keys!

How?

- Change your plastic bags to biodegradable bags.
- Sell or giveaway reusable bags with purchase.
- Create an incentive for using reusable bags.
- Charge a small fee (10 cents) for using plastic.

Why?

- Plastic bags litter our highways and waterways. They breakdown into tiny toxic particles that

cannot be cleaned up, mix into our soil and never biodegrade. Plastic bags eventually find their way into the ocean, endangering birds and marine life that mistake them for food. The Keys are a fragile environment under siege from people and pollution. Plastic bags are a petrochemical product that increases our dependency on fossil fuels.

Team Bodacious took home a Pasta Pantaleo print, and a check for \$5,000.00 on Saturday June 19th in the 6th Annual Island Grill Charity Dolphin Tournament, sponsored by Mercedes-Benz of Cutler Bay and Tavernier Creek Marina. The tournament raises money for the Baptist Children's Hospital Cancer Center. With Henry Danzig from Tavernier, FL at the helm, friends Tim Hampson of Tavernier and Mark Wheaton from Key Largo, FL teamed up with Mike Thaler from Palmetto, FL. Mike, a representative from Bacardi who was a major sponsor of the event, was quoted as saying "I've just had the best fun fishing ever" The teams combined weight of their three biggest Dolphin totaled 54.8 pounds.
