

Junior Bankers Visit Centennial Bank

Pictured from left: Centennial Bank branch manager Jennifer Hawkins, Key Largo third graders Antoneya Gaston and Landon Gardner, Centennial Bank's Joyski Carrasco and Vince Hall.

Earlier this month, Centennial Bank welcomed Key Largo School students Landon Gardner and Antoneya Gaston to be Junior Bankers for a day at the Key Largo branch. In addition to manning the drive thru, Landon and Antoneya counted money, learned how checks are deposited, and the steps that make up various bank transactions. The highlight of the day, however, was the chance to hold \$1000 dollars.

Drinker of the Month Dr. Tom

'Drinker of the Month' Dr. Tom with wife Patty (left) and daughter Natalie (right).

As suggested by one of our loyal readers we have added "Drinker of the Month" and our first volunteer is Dr. Tom the world famous boat Guru.

The criteria is not based on how much someone drinks but rather personality and the attitude they have toward their servers and fellow happy hour friends. Only

drinkers who never forget to say "Hello" to their bartenders, take time to ask "How are you", and never forget to tip can hold this title.

If you're in the business of serving drinks or know a drinker who qualifies nominated them for the Coconut Telegraph's 'Drinker of the Month' for our coming issues. Cheers!
