

# Upper Keys Rotary News

*New President; Scholarships Awarded*

Upper Keys Rotary Club recently had a changing of the guard as Mark Kohl took the reigns from past president Candi Graves. As part of the change Kohl presented Graves with a pink gavel and thanked her for her outstanding leadership.

In other Rotary news, Upper Keys Rotary Club awarded a total of \$86,200 in scholarships to seniors and returning students plus \$30,000 to the Take Stock in Children Program.

The total paid out amount of \$116,200 was earned through the combined efforts of the members of the Upper Keys Rotary Club, organizing the Gigantic Nautical Flea Market, which is - according to recent surveys - the most attractive event in the Upper Keys with serious impact on the local economy.

The Flea Market also brings in vendors and customers from all over the United States, filling hotels, motels, and restaurants, and shopping at local merchants, fueling the local economy.
