

# Dear Anny Bannanny

Anny Bannanny is in the hospital this month because she is sick of stupid people. Once they take off the straight jacket she will be back to work. She can't be disturbed while she is recovering but she can receive get well cards addressed to Anny Bannanny, 101425 Overseas Highway #628, Key Largo, FL 33037

Dear Anny,

While you're recovering here are some ideas of what you can say to deal with stupid people:

- You are not as bad as people say, you are much, much worse.
- Now we know why some animals eat their own children.
- Please, keep talking. I always yawn when I am interested.
- Talk is cheap, but that's ok, so

are you.

- This is an excellent time for you to become a missing person.
- I'm busy now. Can I ignore you some other time?
- When I look into your eyes, I see straight through to the back of your head.
- Anyone who told you to be yourself couldn't have given you any worse advice.
- Are you always this stupid or are you making a special effort today?
- Do you want me to accept you as you are, or do you want me to lie to myself and try to like you?
- Don't let your mind wander, it's far too small to be let out on its own.
- Don't thank me for insulting you, it was a pleasure.
- Don't you realize that there are enough people to hate in the world already without you

putting in so much effort to give us another?

- I bet you get bullied a lot.
- I don't know what makes you so dumb but it really works.
- I don't mind you talking so much, as long as you don't mind me not listening.
- I don't think you are a fool, but what's my opinion compared to that of thousands of others.
- I used to think that you were a colossal pain in the neck. Now I have a much lower opinion of you.
- I would have liked to insult you, but the sad truth is that you wouldn't understand me.
- If you were twice as smart as you are now, you'd be absolutely stupid.
- I've come across rotting bodies that are less offensive than you are.
- Pardon me, but you're obviously mistaking me for

someone who gives a damn.

- Are you the first in your family born without tail?
- You are cruelly depriving a village somewhere of an idiot.
- What you are lacking in intelligence, you more than makes up for in stupidity.
- Whatever it is that is eating you, it must be suffering horribly.
- What's wrong, don't you get any attention back home?
- You are not even beneath my contempt.
- You have an inferiority complex and it is fully justified.
- You would never be able to live down to your reputation, but I see you're doing your best.

We hope you get better soon Anny!

Sincerely,  
Your Fans
