

Key Players present another hilarious adult comedy!

Following on the success of *Unmentionables*, the Key Players have put together another adult comedy for your entertainment. This production, titled *Men Are Dogs*, runs for six performances in mid-September and promises a lot of fun!

Dr. Cecelia Monahan has a serious problem. As a therapist who runs a support group for single and divorced women, she must listen to a number of relationship problems from her unusual patients as well as deal with the unsolicited advice of her live-in mother on subjects ranging from dating to cooking recipes. The doctor, however, is not above using some unorthodox methods of her own such as hiring out-of-work actors to role play with her patients. It is only when Cecelia meets the new substitute package delivery man that she must learn to practice what she preaches!

The all-star cast includes (clockwise, from left) Donna Roberts, Jonelle Kop, Tom Chambers, Annie Regan, Chris Elwood, Leah White, Ron McMahon and Marianne Billings.

Bartender of the Month Guy Lange

of the VFW, Sailing Club, and Keyz Konz and Coffee Zone

Ever-pleasant har-working bartender, manager, and entrepreneur just about sums up the extraordinary work ethic of the Coconut Telegraph's Bartender of the Month, Guy Lange.

Lange was born in Newburgh, New York the day the Brooklyn Dodgers won the World Series. After achieving a degree in arts at the Massachusetts College of Arts, (the only state arts school in the United States) Lange joined the Navy. When he fulfilled his naval service requirement he went to work in Baltimore in environmental design architecture.

He and his beautiful wife Sallie enjoyed the island life of their home on Nantucket but the cold winters drove them to a warmer climate and they wound up in the fabulous Florida Keys. During their last week in the north, Lange, the man from Nantucket, shoveled snow every day and mournfully lamented his \$800 home heating bill.

Upon their arrival in Key Largo they heard the VFW was looking for bartenders so the couple was hired. He became involved in the Men's Auxiliary and currently is the treasurer for the group.

Stop in and see "quick with a joke and a smile Guy" on Thursday nights. The Men's Auxiliary puts on a delicious Chicken Parmesan dinner every Thursday too. The meal is only \$7 and they donate 100% of their money back to the community.

Every Friday night this month Brenda Star performs at the VFW and Saturday nights are your chance to sing with the Queen of Karaoke, Lee Kibbey.

Not too long ago, Guy and Sallie also went to work at the Upper Keys Sailing Club as managers/bartenders. This is a private club located at mile marker 100 on the bay. For information on joining this prestigious club call Lange at
