## Now, that's Punny!

I don't enjoy computer jokes; not one bit.  
 I changed my iPod's name to Titanic. It's syncing now.  
 When chemists die, they barium.  
 Jokes about German sausage are the wurst.  
 Stayed up all night to see where the sun went. Then it dawned on me.  
 This girl said she recognized me from the vegetarian club, but I'd never met herbivore.  
 I'm reading a book about anti-gravity. I just can't put it down.  
 I did a theatrical performance about puns. It was a play on words.  
 They told me I had type-A blood, but it was a type-O.  
 PMS jokes aren't funny; period.  
 Why were the Indians here first? They had reservations.  
 We're going on a class trip to the Coca-Cola factory. I hope there's no pop quiz.  
 I didn't like my beard at first. Then it grew on me.  
 Did you hear about the cross-eyed teacher who lost her job because she couldn't control her pupils?  
 When you get a bladder infection urine trouble.  
 Broken pencils are pointless.  
 I tried to catch some fog, but I mist.  
 What do you call a dinosaur with an extensive vocabulary? A thesaurus.  
 England has no kidney bank, but it does have a Liverpool.  
 I used to be a banker, but then I lost interest.  
 I dropped out of communism class because of lousy Marx.  
 All the toilets in New York's police stations have been stolen. The police have nothing to go on.  
 I got a job at a bakery because I kneaded dough.  
 Haunted French pancakes give me the crêpes.  
 Velcro — what a rip off!  
 A cartoonist was found dead in his home. Details are sketchy.  
 Venison for dinner again? Oh deer!  
 The earthquake in Washington obviously was the government's fault.  
 Be kind to your dentist. He has fillings, too.

## Let's Brag About It

- Eventually you will reach a point when you stop lying about your age and start bragging about it.
- The older we get, the fewer things seem worth waiting in line for.
- Some people try to turn back their odometers. Not me, I want to people to know "why" I look this way. I've travelled a long way and some of the roads weren't paved.
- How old would you be if you didn't know how old you are?
- When you are dissatisfied and would like to go back to youth, think of Algebra.
- Long ago when men cursed and beat the ground with sticks, it was called witchcraft. Today, it's called golf.
- You know you are getting old when everything either dries up or leaks.
- One of the many things no one tells you about ageing is that it is such a nice change from being young.
- One must wait until evening to see how splendid the day has been.
- Ahh, being young is beautiful, but being old is comfortable.
- Old age is when former classmates are so gray and wrinkled and bald, they don't recognize you.
- If you don't learn to laugh at trouble, you won't have anything to laugh at when you are old.
- First you forget names, then you forget faces. Then you forget to pull up your zipper, then...Oh, my goodness, you forgot to pull your zipper down!
- If you jog in a jogging suit, lounge in lounging pajamas, and smoke in a smoking jacket, WHY would anyone want to wear a wind breaker??
- I don't know how I got over the hill without getting to the top.
- I was recently asked if I tweet. I answered, "No, but I do toot a lot."

## Scotch With Two Drops Of Water

A lady goes to the bar on a cruise ship and orders a Scotch with two drops of water.  
 As the bartender gives her the drink she says, 'I'm on this cruise to celebrate my 80th birthday and it's today..'  
 The bartender says, 'Well, since it's your birthday, I'll buy you a drink. In fact, this one is on me.'  
 As the woman finishes her drink, the woman to her right says, 'I would like to buy you a drink, too.'  
 The old woman says, 'Thank you Bartender, I want a Scotch with two drops of water.'  
 'Coming up,' says the bartender.  
 As she finishes that drink, the man to her left says, 'I would like to buy you one, too.'  
 The old woman says, 'Thank you. Bartender, I want another Scotch with two drops of water.'  
 'Coming right up,' the bartender says.  
 As he gives her the drink, he says, 'Ma'am, I'm dying of curiosity. Why the Scotch with only two drops of water?'  
 The old woman replies, 'Sonny, when you're my age, you've learned how to hold your liquor. Holding your water, however, is a whole other issue.'
