PEOPLEING

Left Field

by J.S. McKinna

"At last we're getting somewhere: Their leader's name is 'Moo'..."

A man wakes up in the hospital, bandaged from head to foot.

The doctor comes in and says, "Ah, I see you've regained consciousness. Now, you probably won't remember, but you were in a pile-up on the freeway. You're going to be okay, you'll walk again and everything, but... Something happened. I'm trying to break this gently, but the fact is, your penis was chopped off in the wreck, and we were unable to find it."

The man groans, but the doctor goes on, "You've got \$9000 in insurance compensation coming to you, and we have the technology now to build you a new penis that will work as well as your old one did - better, in fact! But the thing is, it doesn't come cheap. It's \$1000 an inch."

The man perks up at this.

"So," the doctor says, "it's for you to decide how many inches you want. But it's something you'd better discuss with your wife. I mean, if you had a five-inch one before, and you decide to go for a nine-incher, she might be a bit put out. But if you had a nine-inch one before, and you decide only to invest in a five-incher this time, she might be disappointed. So it's important that she play an important role in helping you make the decision."

The man agrees to talk with his wife.

The doctor comes back the next day. "So," says the doctor, "have you spoken with your wife?"

"I have," says the man.

"And has she helped you in making the decision?"

"She did," says the man.

"And what did you both decide?" asks the doctor.

"We're getting a new kitchen."
