Why We Still Need Newspapers

I was visiting my daughter last night when I asked if I could borrow a newspaper.

"This is the 21st century," she said. "We don't waste money on newspapers. Here, use my iPad."

I can tell you this. That fly never knew what hit him!

Pub Crawl

An Irishman had been drinking at a pub all night. The bartender finally said that the bar was closing. So the Irishman stood up to leave and fell flat on his face. He tried to stand one more time; same result. He figured he'll crawl outside and get some fresh air and maybe that will sober him up.

Once outside he stood up and fell flat on his face. So he decided to crawl the 4 blocks to his home. When he arrived at the door he stood up and again fell flat on his face. He crawled through the door and into his bedroom.

When he reached his bed he tried one more time to stand up. This time he managed to pull himself upright, but he quickly fell right into bed and was sound asleep as soon as his head hit the pillow.

He was awakened the next morning to his wife standing over him, shouting, "So, you've been out drinking again!!"

"What makes you say that?" he asked, putting on an innocent look.

"The pub called. You left your wheelchair there again."

Thank you Thad Bowling!

Thoughts for Today

Birds of a feather flock together... and then mess on your car.

A penny saved is a government oversight.

The older you get, the tougher it is to lose weight, because by then your body and your fat have gotten to be really good friends.

The easiest way to find something lost around the house is to buy a replacement...

He who hesitates is probably right.

Did you ever notice: The Roman numerals for forty (40) are 'XL'.

The sole purpose of a child's middle name is so he can tell when he's really in trouble.

I wasn't planning on going for a run today, but those cops came out of nowhere!

Did you ever notice: When you put the words 'The' and 'IRS' together it spells 'Theirs....'

Eventually you will reach a point when you stop lying about your age and start bragging about it.

Some people try to turn back their odometers. Not me, I want people to know 'why' I look this way. I've traveled a long way and some of the roads weren't paved.

When you are dissatisfied and would like to go back to your youth, think of Algebra.

You know you are getting old when everything either dries up or leaks.

One of the many things no one tells you about aging is that it is such a nice change from being young. Ah, being young is beautiful, but being old is comfortable.

Lord, Keep your arm around my shoulder and your hand over my mouth . . . AMEN!!
