Shrimp dishes are so popular that people flock to the Keys for them! Shrimp is a wonderful and versatile seafood item, prepared in so many different ways. One of my favorite shrimp dishes is coconut shrimp. This tasty dish is often served with a tangy sauce such as duck sauce or cayenne pepper sprinkled in an orange marmalade. This recipe is relatively easy to make and is great for boaters to prepare, as it is done on the stove top. Serve it as an appetizer or main dish. Enjoy!

## COCONUT FRIED SHRIMP

- 24 large shrimp
- 2 beaten eggs (or 3, depending on the shrimp)
- 1 ½ teaspoons cayenne pepper
- 1 teaspoon salt
- 1 cup flour
- 3 cups dried breadcrumbs
- 1 cup shredded sweet coconut
- Vegetable oil (cover the bottom of the pan with about ½ inch)

Combine the eggs, cayenne pepper, and salt in a shallow dish. Place the flour in another dish. Then the breadcrumbs and coconut mixed together in a third dish.

Dredge the shrimp in the flour, shaking off any excess. Dip into the egg mixture then roll the shrimp in the breadcrumbs and coconut.

Heat the oil in a saute pan. Add the shrimp in batches as not to crowd the pan. Fry the shrimp for about 3 minutes, turn after browned and then brown the other side. Remove and place on a paper towel to absorb excess oil. Cover with foil to keep warm until all shrimp have been fried. Serve with a sauce.
