This 32-page book was created in the spirit of poking fun at our life here in the Florida Keys.

Written by Sue Beal with a little help from her friends, it was illustrated by the late John McKinna, a syndicated cartoonist.

The book was published and made available for sale so that the proceeds could help local musicians and their families.

Gilberts Resort funded the printing of the first edition, so all proceeds from the sale of this book will be used to help musicians in need.

Here in the Keys, we enjoy the music of so many talented, world-class musicians. Even as our community enjoys the fruits of their labors, we know the musicians have little to spare and have no safety net for when disaster strikes and they cannot work.

Our musicians are the first to sign up to make a community fundraiser or benefit a success.
