SLEEP AID

A doctor who had been seeing an 80-year-old woman for most of her life finally retired. At her next checkup, the new doctor told her to bring a list of all the medicines that had been prescribed for her.

As the doctor was looking through these his eyes grew wide as he realized Grandma had a prescription for birth control pills. "Mrs. Smith, do you realize these are birth control pills?"

"Yes, they help me sleep at night."

"Mrs. Smith, I assure you there is absolutely nothing in these that could possibly help you sleep!"

She reached out and patted the young doctor's knee and said, "Yes, dear, I know that. But every morning, I grind one up and mix it in the glass of orange juice that my 16-year-old granddaughter drinks. And believe me it helps me sleep at night."

ADVANTAGE OF MOTHERS' MILK

Students in an Advanced Biology class were taking their mid-term exam. The last question was, 'Name seven advantages of mother's milk.' The question was worth 70 points or none at all. One student was hard put to think of seven advantages. He wrote:

- 1) It is perfect formula for the child.
- 2) It provides immunity against several diseases.
- 3) It is always the right temperature.
- 4) It is inexpensive.
- 5) It bonds the child to mother and vice versa.

And then the student was stuck. In desperation, just before the bell rang indicating the end of the test he wrote:

- 7) It comes in two attractive containers and it's high enough off the ground where the cat can't get it.

He got an A.

I bet the reason it's called "Almond Milk" is because no one could ever say "Nut Juice" and keep a straight face.

DISTINCTION BETWEEN GUTS AND BALLS

To those of you who are nit-pickers about the meaning of words: there is a medical distinction between Guts and Balls.. We've all heard about people having Guts or Balls, but do you really know the difference between them?

In an effort to keep you informed, here are the definitions:

GUTS - is arriving home late, after a night out with the boys, being met by your wife with a broom, and having the Guts to ask, are you still cleaning, or are you flying somewhere?

BALLS - is coming home late after a night out with the boys, smelling of perfume and beer, with lipstick on your collar, and slapping your wife on the bottom and having the Balls to say, you're next, chubby.

I hope this clears up any confusion on the definitions.

Medically, speaking there is no difference in the outcome. Both result in serious bodily injury or death.

SUPERMARKET FRESH

A new supermarket opened near my house. It has an automatic water mister to keep the produce fresh. Just before it goes on, you hear the sound of distant thunder and the smell of fresh rain.

When you approach the milk cases, you hear cows mooing and experience the scent of fresh hay.

When you approach the egg case, you hear hens cluck and cackle, and the air is filled with the pleasing aroma of bacon and eggs frying.

The veggie department features the smell of fresh buttered corn.

I don't buy toilet paper there any more.

Breast Feeding in Public

A man was riding on a bus minding his own business when the gorgeous woman next to him started to breast-feed her baby. The baby wouldn't take it, so she said, "Come on sweetie, eat it all up or I'll have to give it to this nice man next to us." Five minutes later the baby was still not feeding, so she said, "Come on, honey. Take it or I'll give it to this nice man here." A few minutes later the anxious man blurted out, "Come on kid. Make up your mind! I was supposed to get off four stops ago!"

Thank you Trader Dick!
