## VASELINE, KEEP IT HANDY!

A man who was doing market research for the Vaseline Company knocked at the door and was greeted by a young woman with three small children running around at her feet.

"I'm doing some research for Vaseline. Have you ever used the product?"

She said, "Yes. My husband and I use it all the time."

"If you don't mind my asking," he said, "what do you use it for?"

"We use it when we have sex," she said.

The researcher was a little taken aback. "Usually people lie to me and say they use it on a child's bicycle chain or to help with a gate hinge. But, in fact, I know that most people do use it for sex. I admire you for your honesty. Since you've been so frank so far, can you tell me exactly HOW you use it for sex?"

The woman said, "I don't mind telling you at all. My husband and I put it on the doorknob and it keeps the kids out."

Thank you Thad Bowling!

I'm so sick and tired of my friends who can not handle their alcohol. Last night they dropped me 3 times while carrying me to the car.

## Pushy Salesman!

A little old lady answered a knock on the door one day, only to be confronted by a well-dressed young man carrying a vacuum cleaner.

"Good morning," said the young man. "If I could take a couple of minutes of your time, I would like to demonstrate the very latest in high-powered vacuum cleaners."

"Go away!" said the old lady. "I'm not interested and I haven't got any money!" and she proceeded to close the door.

Quick as a flash, the young man wedged his foot in the door and pushed it wide open.

"Don't be too hasty!" he said. "Not until you have at least seen my demonstration."

And with that, he emptied a bucket of horse manure onto her entrance carpet.

She said, "HEY!!! What in heaven's name are you doing???"

He said, calmly, "Ma'am, if this vacuum cleaner does not remove all traces of this horse manure from your carpet, I will personally eat whatever is left."

The old lady stepped back and said, "Well, sonny, let me go get you a fork. They cut off my electricity this morning."

Thank you Thad Bowling!

I ALWAYS CARRY A KNIFE IN MY PURSE. YOU KNOW IN CASE OF CHEESECAKE OR SOMETHING.

I can't afford a vacation. So I'm just going to drink until I don't know where I am.

I spent 30 minutes talking to them to learn more about their culture until the barman told me they were umbrellas.

I got a new stick deodorant.

The instructions said, "Remove cap and push up bottom." I can barely walk, but whenever I fart, it smells lovely.

A highly dangerous virus called "Weekly Overload Recreational Killer" (WORK) is currently going around. If you come in contact with this WORK virus, you should immediately go to the nearest "Biological Anxiety Relief" (BAR) center to take antidotes known as "Work Isolating Neutralizer Extract" (WINE), "Radioactive UnWORK Medicine" (RUM), "Bothersome Employer Elimination Rebooter" (BEER) or "Vaccine Official Depression Killing Antigen" (VODKA).
