Pretend We're Married

Man and a woman who had never met before, and who were both married to other people, found themselves assigned to the same sleeping room on a trans-continental train.

Though initially embarrassed and uneasy over sharing a room, they were both very tired and fell asleep quickly, he in the upper berth and she in the lower.

At 1 am, the man leaned down and gently woke the woman saying, "Ma'am, I'm sorry to bother you, but would you be willing to reach into the closet to get me a second blanket? I'm awfully cold."

"I have a better idea," she replied "Just for tonight, let's pretend that we're married."

"Wow That's a great idea!" he exclaimed.

"Good," she replied. "Get your own damn blanket."

After a moment of silence, he farted. Thank you Elise Henline

RESURRECTION QUESTION

While the priest was presenting a children's sermon. He asked the children if they knew what the Resurrection was.

Now, asking questions during children's sermons is crucial, but at the same time, asking children questions in front of a congregation can also be very dangerous.

In response to the question, a little boy raised his hand.

The priest called on him and the boy said, "I know that if you have a resurrection that lasts more than four hours you are supposed to call the doctor."

It took ten minutes for the congregation to settle down enough for the service to continue.

The generation of today are so allergic to everything, future wars will be fought by throwing bags of peanuts and cat hair at each other.

THE FIRST RULE OF THE OCD CLUB IS TO HAVE A SECOND RULE SO THERE IS AN EVEN NUMBER OF RULES.

Best Dear John Letter Ever

A young girl on a year's training course in South Africa, recently received a "Dear John" letter from her boyfriend back home. It read as follows:

Dear Mary,

I can no longer continue our relationship. The distance between us is just too great. I must admit that I have cheated on you twice, since you've been gone, and it's not fair to either of us. I'm sorry. Please return the picture of me that I sent to you.

Love, John

Mary, with hurt feelings, asked her colleagues for any snapshots they could spare of their boyfriends, brothers, ex-boyfriends, uncles, cousins, etc. In addition to the picture of John, Mary included all the other pictures of the pretty lads she had collected from her buddies. There were 57 photos in that envelope, along with this note:

Dear John,

I'm so sorry, but I can't remember who the hell you are. Please take your picture from the pile, and send the rest back to me.

Take care, Mary

Thank you Elise Henline

Heartwarming Love Story

A young New York woman was so depressed she decided to end her life by throwing herself into the ocean. Just before she could throw herself from the docks, a handsome young man stopped her.

"You have so much to live for," he said. "I'm a sailor and we are off to Italy tomorrow. I can stow you away on my ship. I'll take care of you, bring you food every day, and keep you happy. When we get to Italy you will be SO GLAD that you're alive"

With nothing to lose and always wanting to see Italy, she accepted. That night, the sailor brought her aboard and hid her in a small, comfortable compartment in the ship's hold.

From then on, every night, he would bring her sandwiches, and a bottle of red wine, and make love to her until dawn. Two weeks later she was discovered by the captain during a routine inspection.

"What are you doing here?" asked the captain.

"I have an arrangement with a sailor," she replied. "He brings me food and I get a free trip to Italy."

"I see," The captain says.

Then her conscience got the best of her, and she added, "Plus, he's screwing me."

"He certainly is," replied the captain.

"This is the Staten Island Ferry."
