

Coco'Nut' Funnies

D-I-V-O-R-C-E

A married couple are driving along a highway doing 60 mph, the wife behind the wheel. Her husband suddenly looks over at her and says, "Honey, I know we've been married for 20 years, but I want a divorce."

The wife says nothing but slowly increases speed to 70 mph.

He then says, "I don't want you to try to talk me out of it, because I've been having an affair with your best friend, and she's a better lover than you are."

Again the wife stays quiet but speeds up as her anger increases.

"I want the house," he insists, pressing his luck. Again the wife peeds up, to eighty mph. "I want the car, too." She just drives faster and faster.

By now she's up to ninety mph. "All right," he says, "I want the bank accounts and the credit cards, too."

The wife slowly starts to veer toward a bridge. This makes him a bit nervous, so he says, "Isn't there anything you want?"

The wife says, "No, I've got everything I need."

"Oh, really," he says, "so what have you got?"

Right before they slam into the wall at a 100 mph, the wife smiles and says, "The airbag."

He said there was no spark between us anymore.

So I tasered him!!

(I'll ask him again when he wakes up.)

If you weigh 200 pounds on Earth, you'll be only 76 pounds on Mars.

You're not overweight, you're just on the wrong planet.

LORD OF THE FLIES

A woman walked into the kitchen to find her husband stalking around with a fly swatter.

"What are you doing" she asked.

"Hunting flies," he said.

"Oh! Killing any?" she asked.

"Yep, 3 males, 2 females," he replied.

Intrigued, she asked, "How can you tell them apart?"

He responded, "5 were on a beer can, and 2 were on the phone."

ATTENDING CLASS

An elderly man is stopped by the police around 2 a.m. and is asked where he is going at this time of night.

The man replies, "I am on my way to a lecture about alcohol abuse and the effects it has on the human body, as well as smoking and staying out late."

The officer then asks, "Really? Who is giving that lecture at this time of night?"

The man replies, "That would be my wife."

When I get naked in he bathroom, the shower gets turned on.

A husband and his wife had a bitter quarrel on the day of their 40th wedding anniversary.

The husband yells, "When you die, I'm getting you a headstone that reads: 'Here Lies My Wife - Cold As Ever'."

"Yeah," she replies, "When you die, I'm getting you a headstone reads: 'Here Lies My Husband - Stiff At Last.'"

SENIOR SEX SECRETS

Jim leans over and asks his wife, "Do you remember the first time we had sex together over fifty years ago? We went behind the village tavern where you leaned against the back fence and I made love to you."

Yes, she says, "I remember it well!"

OK, "How about taking a stroll around there and we can do it for old time's sake?"

"Oh Jim, you old devil, that sounds like a crazy, but good idea!"

A police officer sitting in the next booth heard their conversation and, having a chuckle to himself, he thinks to himself, "I've got to see these two old-timers going at it. I'll just keep an eye on them so there's no trouble." So he follows them.

The elderly couple walks haltingly along, leaning on each other for support aided by walking sticks. Finally, they get to the back of the tavern and lean up against the fence. Then suddenly they erupt into the most furious love making the policeman has ever seen. This goes on for about ten minutes while both are making loud noises and screaming. Finally, they both collapse, panting on the ground.

The policeman is amazed. He has learned something about life and old age that he didn't know.

After about half an hour of lying on the ground recovering, the old couple struggle to their feet and put their clothes back on. The policeman, is still watching and thinks to himself, tills is truly amazing, I've got to ask them what their secret is.

So, as the couple passes, he says to them, "Excuse me, but that was something else. You must've had a fantastic sex life together. Is there some sort of secret to this?"

Shaking, the old man is barely able to reply* "Fifty years ago that wasn't an electric fence."

I DON'T TRUST JOGGERS. THEY'RE ALWAYS THE ONES WHO FIND DEAD BODIES. JUST SAYING.

I hate it when I see an old person and then realize that we went to high school together.

It's ironic that I use my driver's license most to buy stuff that impairs my ability to drive.

BLONDE JOKE OF THE MONTH

A blonde woman was speeding down the road in her little red sports car and was pulled over by a woman police officer, who was also a blonde.

The blonde cop asked to see the blonde driver's license. She dug through her purse and was getting progressively more agitated.

"What does it look like?" she finally asked.

The policewoman replied, "It's square and it has your picture on it."

The driver finally found a square mirror in her purse, looked at it and handed it to the policewoman. "Here it is," she said.

The blonde officer looked at the mirror, then handed it back saying, "OK, you can go. I didn't realize you were a cop."

I rear-ended a car this morning. So, there we were alongside the road and slowly the other driver got out of his car.

You know how sometimes you just get soooo stressed and little things just seem funny?

Yeah, well I couldn't believe it... he was a dwarf!

He stormed over to my car, looked up at me, and shouted, "I AM NOT HAPPY!"

So, I looked down at him and said, Well, then which one are you?"

And that's how the fight started.

On October 23, 1927, three days after its invention, the first rubber band is tested.

I've gotten quite good at ventriloquism. Scared the bejeebers out of my gynecologist today!

Every time I see a mattress on top of a car, I think of a prostitute making house calls!

"Welcome back, sir. Are you planning on being our guest for one night only, or will this be your usual extended stay?"
