“THE KEY”

A woman in her forties went to a plastic surgeon for a face-lift. The surgeon told her about a new procedure called “The Key,” where a small key is placed on the back of a woman’s head and can be turned to tighten up her skin to produce the effect of a brand new face lift. Of course, the woman wanted “The Key.”

Over the course of the years, the woman tightened the key, and the effects were wonderful -- the woman remained young looking and vibrant. After fifteen years, the woman returned to the surgeon with two problems.

“For all these years, everything has been working just fine. I’ve had to turn the key and I’ve always loved the results. But now I’ve developed two annoying problems:

First, I have these terrible bags under my eyes and the key won’t get rid of them.”

The doctor looked at her closely and said, “Those aren’t bags, those are your tits.”

“Oh!”, she said, “No point asking about the beard then...”

A man boards a plane with six kids. After they get settled in their seats, a woman sitting across the aisle leans over to him and asks, “Are all of those kids yours?”

He replies, “No. I work for a condom company. These are customer complaints.”

My wife told me to go to the doctor and get some of those tablets that ‘help’ get an erection. You should have seen her face when I came back and tossed her some diet pills! I’m still looking for a place to live...

The oldest computer can be traced back to Adam and Eve. Surprise! Surprise! It was an Apple.

But with extremely limited memory. Just 1 byte.

Then everything crashed.

DON'T DRINK AND DRIVE SOMEBODY TEXTING MIGHT HIT YOU AND THEY'LL THINK IT'S YOUR FAULT

After a long day on the golf course, I stopped in at Hooter’s to see some friends and have some hot Wings and a beer.

After being there for a while, one of my friends asked me which waitress I would like to be stuck in an elevator with.

I told him, “The one who knows how to fix elevators.”

“I’m old, I’m tired, and I pee a lot.”

Finders Keepers

No one believes seniors... everyone thinks they are senile. An elderly couple was celebrating their sixtieth anniversary. The couple had married as childhood sweet-hearts and had moved back to their old neighborhood after they retired. Holding hands, they walked back to their old school. It was not locked, so they entered, and found the old desk they’d shared, where Jerry had carved “I love you, Sally.”

On their way back home, a bag of money fell out of an armored car, practically landing at their feet. Sally quickly picked it up and, not sure what to do with it, they took it home. There, she counted the money - fifty thousand dollars!

Jerry said, “We’ve got to give it back.” Sally said, “Finders keepers.” She put the money back in the bag and hid it in their attic.

The next day, two police officers were canvassing the neighborhood looking for the money, and knocked on their door. “Pardon me, did either of you find a bag that fell out of an armored car yesterday?”

Sally said, “No.” Jerry said, “She’s lying. She hid it up in the attic.”

Sally said, “Don’t believe him, he’s getting senile!”

The agents turned to Jerry and began to question him. One said, “Tell us the story from the beginning.”

Jerry said, “Well, when Sally and I were walking home from school yesterday...”

The first police officer turned to his partner and said, “We’re outta here!”

Next time someone asks you if you have a sec...

Tell them:

Actually I have LOTS OF SECS

Most people will then completely forget what they wanted to ask.

I pointed to two old drunks sitting across the bar from us and told my friend, “That’s us in 10 years.”

He said, “That’s a mirror, dipshit!”

SELLING MY STUFF IF I DIE

The older you are and the longer you have been married, the funnier this is.

One lazy Sunday morning the wife and I were quiet and thoughtful, sitting around the breakfast table when I said to her unexpectedly, “When I die, I want you to sell all my stuff, immediately.”

“Now why would you want me to do something like that?” she asked.

“I figure a woman as fine as yourself would eventually remarry and I don’t want some other asshole using my stuff.”

She looked at me intently and said: “What makes you think I’d marry another asshole?”

I HAVE GOT TO STOP SAYING “HOW STUPID CAN YOU BE?”

I’M BEGINNING TO THINK PEOPLE ARE TAKING IT AS A CHALLENGE.

As the bus stopped and it was her turn to get on, she became aware that her skirt was too tight to allow her leg to come up to the height of the first step of the bus.

Slightly embarrassed and with a quick smile to the bus driver, she reached behind her to unzip her skirt a little, thinking that this would give her enough slack to raise her leg.

She tried to take the step, only to

I'm too old to drop it like its hot. I'm just gonna sit down like its warm.

So I took off her shirt. Then she said, “Take off my skirt.” I took off her skirt. “Take off my shoes.” I took off her shoes. “Now my hose, bra and panties.” I took them off. Then she looked at me and said, “I don’t want to catch you wearing my things ever again.”

discover that she couldn’t. So, a little more embarrassed, she once again reached behind her to unzip her skirt a little more, and for the second time attempted the step.

Once again, much to her annoyance, she could not raise her leg.

With a little smile to the driver, she again reached behind to unzip a little more and again was unable to take the step.

About this time, a large Texan who

was standing behind her picked her up easily by the waist and placed her gently on the step of the bus. *

She went ballistic and turned to the would-be Samaritan and yelled, “How dare you touch my body? I don’t even know who you are!”

The Texan smiled and drawled, “Well, ma’am, normally I would agree with you, but after you unzipped my fly three times, I kinda figured we were friends.”
