## "Walk Around Ron" Westerson will be Missed

Photo by Olivia Henderson

His friends at Gilbert's Resort reported that Walk Around Ron passed away in early April. "He was more dependable than the sun rising in the east. Such a great guy, he will be missed," said Gilbert's General Manager Rob LeBrun.

Ron Westerson, who was 84 years old, had served in the US Navy on a submarine. He loved his grandkids, and talked about them as he enjoyed his travels to numerous Key Largo bars and beachfronts to look at the sealife everyday. He'd have 2 beers at each place, while walking around the properties and looking at the water.

Ron also loved sitting under a tiki hut and solving a Rubik's Cube everyday. "At Gilbert's, we would mix it up for him every morning and he would sit and solve it before leaving," said Rob.

His favorite meal at Gilbert's was the shrimp basket because he liked how large the shrimp are. Ron will be missed.
