

Coco'Nut' Funnies

A baby can drink a bottle, fall asleep and people say it's cute. If I do it, I'm an alcoholic.

A man goes to a Halloween costume party wearing nothing except his underwear with a woman on his back.

His friends see him and ask, "Hey man, what are you meant to be?"

He replies "Oh I'm dressed as a turtle."

His friends respond, "A turtle? How are you a turtle? Who's that woman on your back?"

The man replies, "Oh, that's just Michelle."

My wife told me to go to the doctor and get some of those tablets that help get an erection.

You should have seen her face when I came back and tossed her some diet pills!

I'm still looking for a place to live..

Help with an Embarrassing Problem

I've always wondered about these ads. You've seen all the commercials...

But what really happens when you ask for help with an erection lasting more than 4 hours?

I walked into a drug store and asked to talk to a male pharmacist.

The woman I was speaking with said she was the only pharmacist and since she and her sister owned the store, there were no male employees. She asked if she could help me.

I said that I really would have preferred to speak with a male pharmacist.

She assured me that she was completely professional and whatever it was that I needed to discuss, I could be confident that she would treat me with a high level of professionalism.

I reluctantly agreed and began by saying, "As a shy man, this is tough for me to discuss, but here goes.

I get erections every day that last more than four hours. This condition causes me a lot of problems and severe embarrassment.

I was wondering what you could give me for it?"

The pharmacist said, "Just a minute, I'll talk to my sister."

When she returned, she said, "We discussed it at length and this is the absolute best we can do:

- 1/3 ownership in the store,
- a company pickup truck,
- a king size bed and
- \$3,000 a month in living expenses."

SPEEDING TICKET

A police officer stops a blonde for speeding and asks her very nicely if he could see her driver's license.

She replies in a huff, "I wish you guys would get your act together! Just yesterday they took my license away and now today you expect me to show it to you?"

Thank you Trader Dick!

THE NIGHT EDDIE BECAME A TOAD.

Doctor Visit

A guy walked into a doctor's office and the receptionist asked him what he had. He said, "shingles." So she took down his name, address, and medical insurance number and told him to have a seat.

Fifteen minutes later a nurse's aide came out and asked him what he had. He said, "shingles." So she took down his height, weight, a complete medical history and told him to wait in the examining room.

A half-hour later, a nurse came in and asked him what he had. He said, "shingles." She gave him a blood test, a blood pressure test, an electrocardiogram, told him to take off all his clothes and wait for the doctor.

An hour later the doctor came in and asked him what he had. He said, "shingles." The doctor said, "Where?" He said, "Outside in the truck. Where do you want them?"

A Bad Day at the Pharmacy

Upon arriving home, a husband was met at the door by his sobbing wife. Tearfully she explained, "It's the pharmacist. He insulted me terribly this morning on the phone."

Immediately the husband drove downtown to confront the pharmacist and demand an apology. Before he could say more than a few words, the druggist told him, "Now, just a minute, please listen to my side of it..."

This morning the alarm failed to go off, so I was late getting up. I went without breakfast and hurried out to the car, just to realize that I locked the house with both house and car keys inside. I had to break a window to get my keys. Then, driving a little too fast, I got a speeding ticket.

Later, about three blocks from the store, I had a flat tire. When I got to the store there was a bunch of people waiting for me to open up. I opened and started waiting on these people, and all the time the darn phone was ringing off the hook."

He continued, Then I had to break a roll of nickels against the cash register drawer to make change, and they spilled all over the floor. I got down on my hands and knees to pick up the nickels; the phone was still ringing. When I came up I cracked my head on the open cash drawer, which made me stagger back against a showcase with bunch of perfume bottles on it...all of them hit the floor and broke.

Meanwhile, the phone is still ringing with no let up, and I finally got to answer it. It was your wife. She wanted to know how to use a rectal thermometer...and, honest mister, all I did was tell her!"

I have enough money to live comfortably for the rest of my life... if I die next Thursday.

In 1872 the Welsh invented the condom, using a length of sheep's intestine.

However in 1873 the English somewhat refined the idea by taking the intestine out of the sheep first!
