CONTEST

CONTEST TO BE MY BOSS!
I am a graphic artist in need of a job. I have decided to fill this need the same way many people think they can fill their graphic design needs: with a contest!

Here is how it will work: Send me one week's worth of salary and benefits. I will keep all the checks I receive and I'll use all the benefits. Whoever sends me the best package will win the contest and get the prize of 2 days of graphic design work! Good luck.

I am really looking forward to receiving your payment packages!

WANTED

Guinea Pig Wanted:
This is for real. Not the fictional "guinea pig" meaning, like I have some strange experiment or anything like that. After all, I'm not a mad scientist. Or even a scientist wanna-be. And the guinea pig will not be harmed, or eaten, or fed to my doberman. It's for my little boy, yeah, that's it. It's a pet for my little boy.

Minions Wanted:

Someone to go back in time with me. Yes, this is for real. I've done it once before. Bring your own weapons, safety not guaranteed. Full payment upon return.

IMMUTABLE LAWS

Thank Trader Dick for this one!

- 1. Law of Mechanical Repair-** After your hands become coated with grease, your nose will begin to itch and you'll have to pee.
- 2. Law of Gravity-** Any tool, nut, bolt, screw, when dropped, will roll to the least accessible place in the universe.
- 3. Law of Probability-** The probability of being seen is directly proportional to the stupidity of your act.
- 4. Law of Random Numbers-** If you dial a wrong number, you never get a busy signal; someone always answers.
- 5. Variation Law-** If you change lines (or traffic lanes), the one you were in will always move faster than the one you are in now.
- 6. Law of the Bath-** When the body is fully immersed in water, the phone will ring.
- 7. Law of Close Encounters-** The probability of meeting someone you know increases dramatically when you are with someone you don't want to be seen with.
- 8. Law of the Result-** When you try to prove to someone that a machine won't work, IT WILL!!!
- 9. Law of Biomechanics-** The severity of the itch is inversely proportional to the reach.
- 10. Law of the Theaters & Sports Arenas-** At any event, the people whose seats are furthest from the aisle, always arrive last. They are the ones who will leave their seats several times to go for food, beer, or the toilet and who leave early before the end of the event. The folks in the aisle seats come early, never move, have long gangly legs or big bellies and stay to the end of the performance. The aisle people also are very surly folk.
- 11. The Coffee Law-** As soon as you sit down to a cup of hot coffee, your boss will ask you to do something which will last until the coffee is cold.
- 12. Murphy's Law of Lockers-** If there are only 2 people in a locker room, they will have adjacent lockers.
- 13. Law of Physical Surfaces-** The chances of an open-faced jelly sandwich landing face down on a floor are directly correlated to the newness and cost of the carpet or rug.
- 14. Law of Logical Argument-** Anything is possible IF you don't know what you are talking about.
- 15. Law of Physical Appearance-** If the clothes fit, they're ugly.
- 16. Law of Public Speaking-** A closed mouth gathers no feet!
- 17. Law of Commercial Marketing Strategy-** As soon as you find a product that you really like, they will stop making it OR the store will stop selling it!
- 18. Doctors' Law**
If you don't feel well, make an appointment to go to the doctor, by the time you get there, you'll feel better. But don't make an appointment and you'll stay sick.

FISHING WITH SAM

My wife told me to start fishing again.

I was told Sam had a boat and was looking for a fishing partner.

Wife said, "Have fun."

When I got home she asked me how we did.

I showed her a picture of Sam holding our fish.

I no longer can go fishing with Sam.

Very sad!
