

Coco'Nut' Funnies

It happened over a year ago, but President Vladimir Putin called President Trump with an emergency: "Our largest condom factory has exploded!" the Russian President cried; "my people's favorite form of birth control! This is a true disaster!"

"Vladimir, the American people would be happy to do anything within their power to help you," replied the newly elected President..

"I do need your help," said Putin. "Could you possibly send 1,000,000 condoms ASAP to tie us over?"

"Why certainly! I'll get right on it!" said Trump.

"Oh, and one more small favor, please?" said Putin.

"Yes?"

"Could the condoms be red in color and at least 10" long and 4" in diameter?" said Putin.

"No problem," replied Trump and, with that, he hung up and called the President of Durex. "I need a favour, you've got to make 1,000,000 condoms right away and send them to Russia."

"Consider it done," said the president of Durex.

"Great! Now listen, they have to be red in color, 10" long and 4" wide."

"Easily done. Anything else?"

"Yeah," said Trump, "Print 'MADE IN USA, SIZE MEDIUM' on each one."

Forget war parties. If we build a casino, they'll hand over their money faster than we can pour drinks.

The Fourth of July holiday is here! We can finally play our favorite guessing game: Firework or Gunshot?

Earl and Bubba are quietly sitting in a boat fishing, chewing tobacco, and drinking beer when suddenly Bubba says, "Think I'm gonna divorce the wife - she ain't spoke to me in over two months." Earl spits overboard, takes a long, slow sip of beer and says, "Better think it over; women like that are hard to find."

Overheard: "I've often been asked, 'What do you old folks do now that you're retired?' Well...I'm fortunate to have a chemical engineering background and one of the things I enjoy most is converting beer, wine and vodka into urine. I do it every day and I really enjoy it"

An old guy was in Costco the other day, pushing his shopping cart around when he collided with a young guy who was also pushing a cart. He said to the young guy, "Sorry about that. I'm looking for my wife and I guess I wasn't paying attention to where I was going."

The young guy says, "That's OK. It's just a coincidence. I'm looking for my wife, too. I can't find her and I'm getting a little desperate."

The old guy said, "Well, maybe we can help each other. What does your wife look like?"

The young guy says, "Well, she is 24 years old, tall, with long blond hair, green eyes, long legs, big boobs and she's wearing tight white shorts, a halter top and no bra. What does your wife look like?"

The old guy said, "Doesn't matter. Let's look for yours."

Most older men are helpful like that.

I like my coffee so strong that it wakes my neighbors.

After many years of marital bliss, tension enters the Kent household.

When your wife says she needs a new broom, it's best not to ask if she broke the last one in a crash landing.

PLEASE TIP YOUR MUSICIANS... THEY'RE SO BROKE, I SAW FOUR OF THEM SHARING A CIGARETTE IN THE PARKING LOT!

My wife has been missing a week now. The police said to prepare for the worst. So, I had to go down to Salvation Army to get all of her clothes back.

And The Lord saith unto John, "Come forth and receive eternal life" ...but John came fifth and won a toaster.

It is just this simple!! At breakfast, the man asked his wife, "What would you do if I won the lottery?"

She replied, "I'd take half, and then I'd leave you."

"Great," he said. "I won \$12 yesterday. Here's \$6. Stay in touch."

Taking Viagra for my sunburn. It doesn't cure it, but it keeps the sheets off my legs.

TEXAS SHERIFF'S EXAM
A young Texan grew up wanting to be a lawman. He grew up big, 6' 2", strong as a longhorn, and fast as a mustang. He could shoot a bottle cap tossed in the air at 40 paces. When he finally came of age, he applied to where he had only dreamed of working: the West Texas Sheriff's Department.

After a series of tests and interviews, the Chief Deputy finally called him into his office for the young man's last interview

The Chief Deputy said, "You're a big strong kid and you can really shoot. So far your qualifications all look good, but we have, what you might call, an "Attitude Suitability Test", that you must take before you can be accepted. We just don't let anyone carry our badge, son."

Then, sliding a service pistol and a box of ammo across the desk, the Chief said, "Take this pistol and go out and shoot: six illegal aliens, six ambulance-chasing lawyers, six 'meth dealers, six Muslim extremists, six Democrats, and a rabbit"

"Why the rabbit?" queried the applicant.

"You pass," said the Chief Deputy. "When can you start?"

Thank you Trader Dick!

ABOUT THE CARTOONIST, RODNEY NELSON:
After coming to the Keys many times, he moved here in 1969 at age 11. He tried different jobs before becoming a full-time artist in his late 20s. He enjoys the versatility it requires to survive as an artist in such a small community, and does airbrushing to glass etching; cartoons to fine art.
