Clean Words That Sound Dirty

The English language is loaded with dirty words and it is also loaded with clean words that sound dirty. If you have a dirty mind you may snicker when you hear the word coccyx, for example, you will probably enjoy these...

Philatelist - This word sounds like it represents a person who enjoys giving oral sex, but actually a philatelist is a stamp collector. Now if you happened to be a stamp collector who also enjoys performing oral sex, you would be one popular nerd.

Cunning Linguist - A cunning linguist is a person who is a shrewd speaker of multiple languages. This is not to be confused with a person who is a shrewd giver of multiple orgasms.

Angina - A condition characterized by suffocating, painful spasms (such as a heart attack) is known as angina. So remember, if the doctor tells you that your wife has "acute angina," he is not talking about her hoo-hoo; he is simply warning you about a serious medical condition.

Masticate - When we eat, we masticate, or chew. If someone calls you an "excessive masticator," it means you eat too much. It doesn't mean he's been peeking in your bedroom window.

Thespian - A thespian is an actor, not a chick who digs chicks; unless, of course, that actor is Jody Foster, who also happens to be a chick who digs chicks.

Volvo - A warning to all men: It is important to know that if a woman offers to give you a ride in her Volvo, she is talking about her car! A mistake like that could get you five to ten.

Uranus - One of the planets that revolve around the sun is called Uranus, which is not the same thing as that area of your body where the sun don't shine.

Rectify - You may think that rectify is a word that relates to that area down under, but it isn't. It means to fix or correct, as in: "Fernando's hemorrhoids became so inflamed that he had to have surgery in that area down under in order to rectify the situation."

Cumquat - A cumquat is a fruit that resembles a small orange. It is not something to do when you squat.

Ramrod - a ramrod is also referred to as a "packing stick" which was used with muzzle-loading weapons to push the bullet up against the gunpowder in the 19th century. Unfortunately it is not a well endowed energetic man. If it were, there would be more women living on Ramrod Key.
