FOR THOSE OF YOU WHO CAN'T BE WITH FAMILY DURING THE HOLIDAYS,

please resist the urge to brag.

Me: It's not about how many times you fall, it's about how many times you get back up.

Cop: that's not how field sobriety tests work.

Mr. Clark, I have reviewed this case very carefully,' the divorce Court Judge said, 'And I've decided to give your wife \$775 a week,'

'That's very fair, your honor,' the husband said. 'And every now and then I'll try to send her a few bucks myself.'

Apparently, the correct answer is Africa!

Husband takes the wife to her high school reunion. After meeting several of her friends and former school mates, they are sitting at a table where he is yawning and overly bored.

The band cranks up and people are beginning to dance.

There's a guy on the dance floor living it large, break dancing, moon walking, back flips, buying drinks for people, the works.

Wife turns to her husband and says, "See that guy? 25 years ago he proposed to me and I turned him down.

Husband says: "Looks like he's still celebrating!"

Thank you Karen Beal

A pirate walked into a bar and the bartender said: "Hey, I haven't seen you in a while. What happened? You look terrible."

"What do you mean?" said the pirate, "I feel fine."

Bartender: "What about the wooden leg? You didn't have that before."

Pirate: "Well, we were in a battle and I got hit with a cannon ball, but I'm fine now."

Bartender: "Well, ok, but what about that hook? What happened to your hand?"

Pirate: "We were in another battle. I boarded a ship and got into a sword fight. My hand was cut off. I got fitted with a hook. I'm fine, really..."

Bartender: "What about that eye patch?"

Pirate: "Oh, one day we were at sea and a flock of birds flew over. I looked up and one of them shat in my eye."

Bartender "You're kidding, you lost an eye just from bird doo?"

Pirate: "It was my first day with the hook."

The man came home from work, sat down in his favorite chair, turned on the TV, and said to his wife, "Quick, bring me a beer before it starts."

She looked a little puzzled, but brought him a beer.

When he finished it, he said, "Quick, bring me another beer. It's gonna start."

This time she looked a little angry, but brought him a beer.

When it was gone, he said, "Quick, another beer, it's gonna start any second."

"That's it!" She blows her top, "You bastard! You waltz in here, flop your fat ass down, don't even say hello to me and then expect me to run around like your slave. Don't you realize that I cook and clean and wash and iron all day long?"

The husband sighed. "Oh &#x26;\$, it's started."

Facial recognition software can pick a person out of a crowd at 2000 feet, but the vending machine at work can't recognize a dollar with a bent corner.

ABOUT THE CARTOONIST, RODNEY NELSON: After coming to the Keys many times, he moved here in 1969 at age 11. He tried different jobs before becoming a full-time artist in his late twenties. He enjoys the versatility it requires to survive as an artist in such a small community, and does airbrushing to glass etching; cartoons to fine art.

USE " D " AND " N "

Blonde female bought herself a new Mercedes. She can drive the car during the day but at night the car won't move at all.

She tries driving the car at night for a week but still no luck.

Furious, she calls the dealership, tells them the problem and they send a mechanic to the house.

The mechanic gives the car a thorough inspection and can't find anything wrong.

Eventually, he asks the Blonde, " Are you sure you're using the right gears?"

"Of course I am. I'm not stupid.

I use "D" during the day, and "N" at night!"
