**WARNING**

Police are warning all men who frequent clubs, parties and local bars to be alert and stay cautious when offered a drink by any woman. Many females use a date-drug on the market called "Beer."

The drug is found in liquid form and is available anywhere. It comes in bottles, cans, or from taps and in large kegs. "Beer" is used by female sexual predators at parties and bars to persuade their male victims to go home and sleep with them. A woman needs only to get a guy to consume a few units of Beer and then simply ask him home for no-strings-attached sex.

Men are rendered helpless against this approach. After several Beers, men will often succumb to the desires to sleep with horrific looking women to whom they would not normally be attracted.

After drinking Beer, men often awaken with only hazy memories of exactly what happened to them the night

before, often with a vague feeling that "something bad" occurred. At other times these unfortunate men are swindled out of their life's savings, in a familiar scam known as a "relationship."

In extreme cases, the female may even be shrewd enough to entrap the unsuspecting male into a longer-term form of servitude and punishment referred to as "marriage."

Men are much more susceptible to this scam after "Beer" is administered and sex is offered by the predatory females.

Please forward this warning to every male you know. If you fall victim to this "Beer" scam and the women administering it, there are male support groups where you can discuss the details of your shocking encounter with similarly victimized men. For the support group nearest you, just look up "Golf Courses" in the phone book.

BLAME THAD BOWLING FOR THIS ONE!

**"We're Screwed"**

Over five thousand years ago, Moses said to the children of Israel, "Pick up your shovels, mount your asses and camels, and I will lead you to the Promised Land."

Nearly 75 years ago, (when Welfare was introduced) Roosevelt said, "Lay down your shovels, sit on your asses, and light up a Camel, this is the Promised Land."

Today, Congress has stolen your shovel, taxed your asses, raised the price of Camels and mortgaged the Promised Land!

I was so depressed last night thinking about Health care plans, the economy, the wars, lost jobs, savings, the state of the government today, Social Security, retirement funds, etc... I called a Suicide Hotline.

I had to press 1 for English. I was connected to a call center in Pakistan. I told them I was suicidal. They got excited and asked if I could drive a truck.

Folks, we're screwed.
