As You Slide Down The Banister Of Life

Remember:

1. Jim Bakker and Jimmy Swaggert have written an impressive new book. It's called "Ministers Do More Than Lay People."
2. Transvestite: A guy who likes to eat, drink and be Mary.
3. The difference between the Pope and your boss is, the Pope only expects you to kiss his ring.
4. My mind works like lightning, one brilliant flash, and it is gone.
5. The only time the world beats a path to your door is if you're in the bathroom.
6. I hate sex in the movies. Tried it once. The seat folded up, the drink spilled and that ice, well, it really chilled the mood.
7. It used to be only death and taxes. Now, of course, there's shipping and handling, too.
8. A husband is someone who, after taking the trash out, gives the impression that he just cleaned the whole house.
9. My next house will have no kitchen - just vending machines and a large trash can.
10. Definition of a teenager? God's punishment...for enjoying sex.

And as you slide down that Banister of Life you should pray that all the splinters are pointed the other way...

Book Reveals True Smuggling Tales of the Keys During the Days of Marijuana Prohibition

This new memoir, 45 years in the making, details the adventure and humor, the successes and screw ups, in real stories of real people who might live down the street and who worked in the marijuana smuggling industry in the 70s, 80s and 90s.

A new website, SmugglersTimes.com, is live in support of the memoir "Smugglers' Times: Smuggling In The Days Of Marijuana Prohibition." Complete with tales of a long-retired pioneer of the marijuana smuggling industry who lived and worked in Islamorada and the Keys, the website gives samples from the book and information about the author. The book about Keys Don, as he is still known, is selling well in Keys bookshops.

Don, who flew single-engine planes in the 1970s back and forth to Columbia, carrying up to a million dollars worth of pot per load (in today's dollars) finally told his story to award-winning writer, M. Dennis Taylor.

Don, who flew single-engine planes in the 1970s back and forth to Columbia, carrying up to a million dollars worth of pot per load (in today's dollars) finally told his story to award-winning writer, M. Dennis Taylor.

"I tell about the life of a smuggler," said Don. "When marijuana is legal, we will be like the rumrunners during prohibition and people might be interested in the history of how it was in smugglers' times."

During a 30-plus-year career, working under aliases, Don brought marijuana through the Keys, an area with thousands of places to hide, that's been a haven for smugglers since the times of the Spanish Main up until sometime late last night. Don and his friends used planes, boats and vehicles, and expanded connections throughout the United States, Mexico and the Philippines, reportedly even working with Federal Agents.

Released by ASPCI Publishing Division, Smugglers' Times: Smuggling In The Days Of Marijuana Prohibition is available through Amazon, your local bookstore, or by visiting SmugglersTimes.com.

A brisk read, it is written in journalistic style by Taylor, a South Florida writer with 40 years experience in writing newspaper and magazine pieces and three books. "It's a fast-moving tale filled with adventure, humor and an in-depth look behind the scenes of the smuggling industry," said Don.

With a cast of characters that made and spent millions of dollars during play-filled lives, they all believed the adage that "for adventure, there is risk."

Visit the website at SmugglersTimes.com or find the book on Amazon.com and in Keys bookshops. Let us know how you like it!!

BOSTON CREAM PIE

Bake a yellow cake using the mix of your choice. After it cools, slice it in half to make two rounds.

Use the recipe below for the cream filling. Spread the cream filling on the bottom layer and place the second round of cake on top. Top with a chocolate sauce or frosting and serve. Refrigerate any remaining cake.

Cream Filling:

1/3 cup sugar	2 egg yolks, slightly beaten
2 tablespoons cornstarch	2 teaspoons vanilla
1 1/2 cups of milk	Pinch of salt

Blend the sugar, cornstarch, and salt in a saucepan. Combine the milk and egg yolks and gradually stir into the sugar mixture. Cook over medium heat, stirring constantly until mixture thickens and begins to boil. Boil and stir for 1 minute. Remove from heat and stir in the vanilla. Cool to room temperature.

A really tasty dessert that is easy to make is a Boston Cream Pie. Just follow the recipe and enjoy!
