DAD JOKES

What lies at the bottom of the ocean and twitches?
A nervous wreck.

Dad, can you put the cat out?
I didn't know it was on fire.

I just watched a program about beavers.
It was the best dam program I've ever seen.

What do you call a fake noodle? An impasta.

Did you hear about the restaurant on the moon?
Great food, no atmosphere.

Did you hear about the cheese factory that exploded in France?
There was nothing left but de Brie.

A woman noticed her husband standing on the bathroom scale, sucking in his stomach.
"That's not going to help," she said. "Sure, it does," he said.
"It's the only way I can see the numbers."

Whenever the cashier at the grocery store asks my dad if he would like the milk in a bag he replies, "No, just leave it in the carton!"

5/4 of people admit that they're bad with fractions.
The rotation of earth really makes my day.

How do you make holy water? You boil the hell out of it.

I ordered a chicken and an egg from Amazon.
I'll let you know.

You're American when you go into the bathroom, and you're American when you come out, but do you know what you are while you're in there?
European.

You heard of that new band 1023MB? They're good but they haven't got a gig yet.

Did you hear about the guy who invented Lifesavers?
They say he made a mint.
