## Editorial: Grifter

A couple of years ago I met Monte Mount at a locals bar. He was playing the juke box and telling folks he was a musician and was in the band Tommy James and the Shondells. I was impressed and asked him a few questions thinking it would make a great article. He seemed very knowledgeable about the band but something didn't set right with me. He was playing air guitar to the music. My guitarist friends don't do that. He also showed me photos of antique motorcycles he claimed to have. So I went home and did some research. Mr. Mount had just got out of 4 years in prison in California for theft and there was no record anywhere of him ever being a "Shondell". I notified a friend that is a police officer. I mentioned it to some of my friends who had also met him. Within days of that he had conned

some friends out of hundreds of dollars. He sold them a motorcycle from one of his photos. He had every excuse under the sun why the motorcycle had not been delivered to them. Finally they filed a police report and conman Mount was arrested and spent time in the Key West jail. He was eventually released and wouldn't you know it, he ripped off another one of my friends and was arrested again in Key Largo! Please beware of this man because he is a career criminal.

Happy Mother's Day

Happy Memories of my Mom  
**Carol Griffith**

**MOMMA KNOWS BEST- HA!**  
HARDLY! I HAVE NO IDEA WHAT I'M DOING. SO LONG AS YOU DON'T END UP DEAD, HURT, OR IN PRISON I'M GOING TO CALL IT A WIN.

It's not easy being a mom these days... texting in all caps just doesn't have the same impact as good, old-fashioned yelling!

MOM!! ...IT'S ME!! HAPPY MOTHER'S DAY!!

SO WHAT'S FOR DINNER?

"I sat on you and brought you into this world, and I can sit on you and take you out!"
