

## 25 Ways to Order a Pizza

1. Stutter the letter "p".
2. Terminate the call with, "Remember, we never had this conversation."
3. Ask what the order taker is wearing.
4. Tell the order taker you're depressed. Get him/her to cheer you up.
5. Act like you know the order taker from somewhere. Say "Bedwetters Camp, right?"
6. Ask to rent a pizza.
7. Ask if you get to keep the pizza box. When they say yes, heave a sigh of relief.
8. Tell them to double check to make sure your pizza is, in fact, dead.
9. Psychoanalyze the order taker.
10. Order two toppings, then change you mind and say, "No, they'll start fighting".
11. Call to complain about service. Later, call back to say you were drunk and didn't mean it.
12. Tell the order taker to tell the manager to tell his supervisor he's fired.
13. Ask if the pizza is organically grown.
14. State your order and say that's as far as this relationship is going to get.
15. Ask them if they are familiar with the term "spanking a pizza." Make up a description to go with the term. Ask that this be done to your pizza.
16. Put them on hold.
17. Teach the order taker a secret code. Use the code on all subsequent orders.
18. Haggle.
19. Order a one-inch pizza.
20. When they say "Will that be all?", snicker and say "We'll find out, won't we?"
21. Ask how many dolphins were killed to make that pizza.
22. Dance all around the word "pizza". Avoid saying it at all costs. If he/she says it, say "Please don't mention that word".
23. If he/she suggests a side order, ask why he/she is punishing you.
24. Order a steamed pizza.
25. If any of the above practices are rejected by the order taker say, in your best pouty voice, "The last guy let me do it."

\* Please don't do any of these when you call Enrico's!

Seeking hostile woman for unfulfilling sex, future divorce, and codependency. Looking for a whiny, crazy lady with misplaced sense of entitlement and lots of expectations. Bonus points if you just finished dating every guy in town but now want to take it slow with me. I would be open to an unsatisfying fling but prefer a longterm, soul-crushing descent into booze and pills.

### HELP WANTED

#### EMERGENCY HELP WANTED

I lied when I got my job. I told them I had a kid so I could leave early to pick him up from day care, take him to doctors appointments and occasionally miss a day when he's sick. Long story short I'm in too deep. I didn't think it through. I'm looking to rent a kid for "bring your child to work" day. Must be a boy aged 4 to 6 with curly brown hair who plays soccer, essentially he has to look like the stock photo in the frame on my desk. Also must be artistic as the macaroni noodle drawings I made seem a little advanced for someone his age. He needs to respond to "My Little Picasso" as that's what my wife and I call him. Also I will pay extra for someone willing to play the role of my wife when dropping him off.  
Her name is Maggie she's named after her grandma and she's a defense attorney who often brings her work home. You know what... just message me for the details, serious inquiries only. 305-555-DADS
