A man takes his wife to get tested for Covid-19. Two days later, he gets a call from the lab. Doctor: I'm sorry to inform you that your wife's test results were mixed up with another patient's. We're not sure if she has Covid-19 or Alzheimer's disease.

Man: So what am I supposed to do now? Doctor: Take her for long walk and leave her. If she finds her way back home, don't open the door.

The longer I stay home, the more homeless I look.

Have we tried giving 2020 a Snickers?

"And I thought it was a nasal swab."

Out of all my body parts, my eyeballs are in the best shape, because I roll them like 342 times a day.

It's amazing how badly we're screwing up an apocalypse on an "easy" setting. We're clearly not ready for zombies or aliens.

Karl Marx is a famous philosopher, but no one ever remembers his sister, Onya, the inventor of the starting pistol.

A young couple got married and left on their honeymoon. When they got back, the bride immediately called her mother. Her mother asked, "How was the honeymoon?"

"Oh, Mum," she replied, "the honeymoon was wonderful! So romantic..."

Suddenly she burst out crying. "But, Mum, as soon as we returned Sam started using the most horrible language... things I'd never heard before! I mean, all these awful 4-letter words! You've got to come get me and take me home.... Please Mum!"

"Sarah," her mother said, "calm down! Tell me, what could be so awful? What 4-letter words?"

"Please don't make me tell you, Mum," wept the daughter, "I'm so embarrassed, they're just too awful! Come get me, please!"

"Darling, you must tell me what has you so upset. Tell your mother these horrible 4-letter words!"

Still sobbing, the bride said, "Oh, Mum, they were words like dust, wash, iron, cook!"

Paranoia has reached absurd stages...

I sneezed in front of my laptop and the anti-virus started a scan on its own.

Apart from being exhausted, financially unstable, nearing a mental breakdown and being fat, everything is great. Thanks.

The Flat Earth Society are reporting that the 6 foot social distancing measures are pushing some of their members over the edge.

A farmer walked into a bar and saw the local tractor salesman sitting there, head hung low, obviously upset, drowning his sorrows in his beer.

"What's up, John?" asked the farmer.

"Gosh Bob, I'll tell you what... if I don't sell a tractor soon, I'm gonna have to close my shop."

"Now John, things could be worse," said Bob.

"How do you figure?" asked John.

"Well, John - you know my ornery cow, Bessie? I went to milk her this morning and she just kept flicking her tail in my face. So I grabbed a piece of rope and tied it up to the rafter. Then, the nasty thing went and kicked the bucket away! So I tied her leg to the wall.

"Then she kicked my stool right out from underneath me! But I was out of rope. So I took my belt off and used it to tie her other leg to the other side of the stall.

"Well wouldn't you just know it...my damn pants fell down.

"And John, if you can convince my wife that I was in there to MILK that cow, I'll buy a tractor from you TODAY!"

Home schooling science lesson went really well this week.

Next week - marketing and distribution.

I got the words "Jacuzzi" and "yakuza" confused. Now I'm in hot water with the Japanese mafia.

Do not let them take your temperature going into the store! It's a scam! They're erasing your memory. I went for bread and eggs and came home with Blue Bell Ice Cream and Snickers.

There were four Florida State sophomores taking chemistry and they all had an A average so far through the semester. They were so confident they would ace the final exam that they visited some out-of-town friends and partied all weekend long. They did not make it back to school until mid Monday, too late for the final exam.

They figured that since their professor was an UM graduate they could easily convince him that they had a legitimate reason for being late and so would be able to retake the exam. They said that they had a flat tire driving home and were without a spare. The professor being a reasonable man agreed to let them retake the exam the following day. They went home laughing on their success and duping the professor and proceeded to study all night for the exam.

The next day the professor placed them in separate rooms and gave them 100 point exam. Oh for quickly answered the first question worth five points. How easy they thought! They then turned it to the second page which was written the following for 95 points which tire?

YOU THINK IT'S BAD NOW? IN 20 YEARS, OUR COUNTRY WILL BE RUN BY PEOPLE WHO WERE HOMESCHOOLED BY DAY DRINKERS.

Not to brag, but I've always washed my hands and used toilet paper, even before it was hip and trendy.

Corona Season, then Riot Season, now Hurricane Season... Do I need a Mask, a Sword or a Generator?

I got thrown out of my local park after arranging the squirrels by height. They didn't like me critter sizing.

Two buddies were sharing drinks while discussing their wives. "Do you and your wife ever do it doggie style?" asked the one. "Well, not exactly." His friend replied, "She's more into the trick dog aspect of it." "Oh, I see, kinky, huh?" "Well, not exactly. I sit up and beg, and she rolls over and plays dead."

You Know 2020 Has Been A Total Disaster When A Hurricane Is Headed Directly At You And You're Like... Meh.

A young fella with his pants hanging half off his butt, no front teeth and a half inch thick gold chain around his neck, walked into the local unemployment office to pick up his benefit money.

He strolled up to the counter and said: "Hi there, you know what... I really HATE claiming benefits, I'd really much rather have a job. I don't like taking advantage of the system and getting something for nothing." The social worker behind the counter said: "Wow, your timing is excellent. We've just received a job opening from a very wealthy elderly man who wants a chauffeur and bodyguard for his beautiful daughter.

You'll have to drive around in his brand new Mercedes-Benz CL, he'll supply all of your clothes and because of the unusual hours, meals will be provided free of charge, you'll also be expected to escort his daughter on her overseas holiday trips, but you will also have as part of your job, to satisfy her sexual urges as the daughter is in her mid-20's and has a rather strong sexual appetite."

The guy, jaw dropping and wide-eyed said: "You're bull-shittin' me!"

The social worker said: "Yeah, well... You started it..."

At the store there was a big X by the register for me to stand on... I've seen too many Road Runner cartoons to fall for that one.
