Early June cleanup was an epic win for Pirates Cove Watersports! They pulled up two lobster pots, 80ft of anchor line, 200ft of monofilament (fishing line)... all together a little over 162 lbs!

When I see ads on TV with smiling happy housewives using a new cleaning product, the only thing I want to buy is the medication they must be on.

# None of These Comments Came from Our Keys Visitors, Right?

These are actual complaints received from dissatisfied customers by Thomas Cook Vacations.

- "I think it should be explained in the brochure that the local convenience store does not sell proper biscuits like custard creams or ginger nuts."
- "It's lazy of the local shopkeepers in Puerto Vallarta to close in the afternoons. I often needed to buy things during 'siesta' time — this should be banned."
- "On my holiday to Goa in India, I was disgusted to find that almost every restaurant served curry. I don't like spicy food."
- "We booked an excursion to a water park but no-one told us we had to bring our own swimsuits and towels. We assumed it would be included in the price."
- "The beach was too sandy. We had to clean everything when we returned to our room."
- "We found the sand was not like the sand in the brochure. Your brochure shows the sand as white but it was more yellow."
- "They should not allow topless sunbathing on the beach. It was very distracting for my husband who just wanted to relax."
- "No one told us there would be fish in the water. The children were scared."
- "Although the brochure said that there was a fully equipped kitchen, there was no egg slicer in the drawers."
- "There were too many Spanish people there. The receptionist spoke Spanish, the food was Spanish. No one told us that there would be so many foreigners."
- "We had to line up outside to catch the boat and there was no air conditioning."
- "It is your duty as a tour operator to advise us of noisy or unruly guests before we travel."
- "I was bitten by a mosquito. The brochure did not mention mosquitoes."
- "My fiance and I requested twin-beds when we booked, but instead we were placed in a room with a king bed. We now hold you responsible and want to be re-reimbursed for the fact that I became pregnant. This would not have happened if you had put us in the room that we booked."
- "It took us nine hours to fly home from Jamaica to England. It took the Americans only three hours to get home. This seems unfair."
- "I compared the size of our 1-bedroom suite to our friends' 3-bedroom and ours was significantly smaller."
- "The brochure stated: 'No hairdressers at the resort'. We're trainee hairdressers and we think they knew and made us wait longer for service."
