On their wedding night, the young bride approached her new husband and asked for \$20.00 for their first lovemaking encounter.

In his highly aroused state, her husband readily agreed.

This scenario was repeated each time they made love, for more than 40 years, with him thinking that it was a cute way for her to afford new clothes and other incidentals that she needed.

Arriving home around noon one day, she was surprised to find her husband in a very drunken state. During the next few minutes, he explained that his employer was going through a process of corporate downsizing, and he had been let go.

It was unlikely that, at the age of 59, he'd be able to find another position that paid anywhere near what he'd been earning, and therefore, they were financially ruined.

Calmly, his wife handed him a bank book which showed more than forty years of steady deposits and interest totaling nearly \$1 million. Then she showed him certificates of deposits issued by the bank which was worth over \$2 million, and informed him that they were one of the largest depositors in the bank.

She explained that for more than three decades she had 'charged' him for sex, these holdings had multiplied and these were the results of her savings and investments.

Faced with evidence of cash and investments worth over \$3 million, her husband was so astounded he could barely speak, but finally he found his voice and blurted out, "If I'd had any idea what you were doing, I would have given you all my business!"

That's when she shot him.

You know, sometimes, men just don't know when to keep their mouths shut!

I asked my wife why she married me. She said "Because you are funny." I said "I thought it was because I was good in bed." She said "See? You're hilarious!"

I was a very happy man. My wonderful girlfriend and I had been dating for over a year, and so we decided to get married. There was only one little thing bothering me—it was her beautiful younger sister. My prospective sister-in-law was twenty-two, wore very tight miniskirts, and generally was bra-less. She would regularly bend down when she was near me, and I always got more than a nice view. It had to be deliberate. Because she never did it when she was near anyone else.

One day her "little" sister called and asked me to come over to check the wedding invitations. She was alone when I arrived, and she whispered to me that she had feelings and desires for me that she couldn't overcome. She told me that she wanted me just once before I got married and committed my life to her sister. Well, I was in total shock, and couldn't say a word.

She said, "I'm going upstairs to my bedroom, and if you want one last wild fling, just come up and get me."

I was stunned and frozen in shock as I watched her go up the stairs. I stood there for a moment, then turned and made a beeline straight to the front door.

I opened the door, and headed straight towards my car. Lo and behold, my entire future family was standing outside, all clapping!

With tears in his eyes, my father-in-law hugged me and said, "We are very happy that you have passed our little test. We couldn't ask for a better man for our daughter. Welcome to the family."

And the moral of this story is: Always keep your condoms in your car.

A woman's husband had been slipping in and out of a coma for several months, yet she had stayed by his bedside every single day.

One day, when he came to, he motioned for her to come nearer. As she sat by him, he whispered, eyes full of tears. "You know what? You have been with me all through the bad times. When I got fired, you were there to support me. When my business failed, you were there. When I got shot, you were by my side. When we lost the house, you stayed right here. When my health started failing, you were still by my side. You know what?"

"What dear?" she asked gently, smiling as her heart began to fill with warmth.

"I think you're bad luck."

"Oh, Helen! You're pregnant? That's wonderful! At first, I was taking you quite literally when you said you had one in the oven!"

Wally's Wedding Night

At 85 years of age, Wally married Anne, a lovely 25 year old. Since her new husband is so old, Anne decides that after their wedding she and Wally should have separate bedrooms, because she is concerned that her new but aged husband may overexert himself if they spend the entire night together.

After the wedding festivities Anne prepares herself for bed and

the expected 'knock' on the door. Sure enough the knock comes, the door opens and there is Wally, her 85 year old groom, ready for action. They unite as one.

All goes well, Wally takes leave of his bride, and she prepares to

go to sleep. After a few minutes, Anne hears another knock on her bedroom door, and it's Wally. Again he is ready for more 'action.'

Somewhat surprised, Anne consents for more coupling. When the newlyweds are done, Wally kisses his bride, bids her a fond good-night and leaves.

She is set to go to sleep again, but, aha you guessed it....

Wally is back again, rapping on the door, and is as fresh as a 25-year-old, ready for more 'action.' And, once again they enjoy each other.

But as Wally gets set to leave again, his young bride says to him, 'I am thoroughly impressed that at your age you can perform so well and so often. I have been with guys less than a third of your age who were only good once. You are truly a great lover, Wally.'

Wally, somewhat embarrassed, turns to Anne and says: 'You mean I've been here already?'

A man went to the Mariner's ER in Tavernier to have his wedding ring cut off of his penis.

According to the nurse attending the operation, the patient's girlfriend found the ring in his pants pocket.

She didn't know he was married and she was so mad, she used Vaseline to slip the ring on his penis while he was asleep.

What's worse?

1. Having your girlfriend find out you're married.
2. Explaining to your wife how your wedding ring got on your penis.... OR...
3. Finding out your penis fits through your wedding ring.

Tough call. You decide.

90% OF BEING MARRIED IS JUST SHOUTING "WHAT" FROM OTHER ROOMS

During the wedding rehearsal, the groom approached the pastor with an unusual offer: "Look, I'll give you \$100 if you'll change the wedding vows. When you get to the part where I'm supposed to promise to 'love, honor and obey' and 'be faithful to her forever,' I'd appreciate it if you'd just leave that out." He passed the minister a \$100 bill and walked away satisfied.

On the day of the wedding, when it came time for the groom's vows, the pastor looked the young man in the eye and said: "Will you promise to prostrate yourself before her, obey her every command and wish, serve her breakfast in bed every morning of your life, and swear eternally before God and your lovely wife that you will not ever even look at another woman, as long as you both shall live?"

The groom gulped and looked around, and said in a tiny voice, "Yes," then leaned toward the pastor and hissed: "I thought we had a deal." The pastor put the \$100 bill into the groom's hand and whispered: "She made me a better offer."
