*My kid made the mistake of telling me I was being overdramatic so I just changed the wifi password. We'll see who's overdramatic in about 5 minutes.*

A MAN WALKS INTO A BAR WITH A SMALL NEWT ON HIS SHOULDER. THE BARTENDER SAYS, "WHAT AN INTERESTING PET; WHAT'S HIS NAME?" "TINY," THE MAN REPLIES. "WHAT AN ODD NAME! WHY DO YOU CALL HIM TINY?" "BECAUSE HE'S MY NEWT..."

**There's nothing like a little tomato soup to soothe the soul. Especially if it's cold, over ice, with a celery stalk... and vodka.**

Me: Bathroom is cleaned.  
Wife: Thank you.  
Me: Why do we keep the toilet brush in the shower?  
Wife: What?  
Me: Why is the toilet brush in the shower?  
Wife: What the hell are you talking about?  
Me: The puffy thing with the handle.  
Wife: MY LOOFAH?!  
Me: You named the toilet brush?

A farmer had five female pigs. Times were hard, so he decided to take them to the county fair and sell them.

At the fair, he met another Farmer who owned five male pigs. After talking a bit, they decided to mate the pigs and split everything 50/50.

The farmers lived sixty miles apart. So they agreed to drive thirty miles each, find a field in which to let the pigs mate.

The first morning, the farmer with the female pigs got up at 5 A.M., loaded the pigs into the family station wagon, (which was the only vehicle he had) and drove the thirty miles. While the pigs were mating, he asked the other farmer, "How will I know if they are pregnant?"

The other farmer replied, "If they're lying in the grass tomorrow morning, they're pregnant. If they're in the mud, they're not."

The next morning the pigs were rolling in the mud. So he hosed them off, loaded them into the family station wagon again and proceeded to try again. This continued each morning for more than a week. Both farmers were worn out.

The next morning he was too tired to get out of bed. He called to his wife,

"Honey, please look outside and tell me whether the pigs are in the mud or in the grass."

"Neither," yelled his wife. "They're in the station wagon and one of them is honking the horn."

My favorite outdoor activity is getting my packages at the door and bringing them in

Three guys go in for a job interview, all at the same office. The first one goes in for his interview and the interviewer says,

"What's the first thing you see when you look at me?"

The guy says, "That's not too hard, you've got no ears."

The interviewer says, "That's it, get out, you'll never be seen around here again."

The second man takes his turn and is asked the same question. The applicant replies, "Uh, you've got no ears."

The interviewer throws the guy out, cursing and yelling that he'll never get a job with his company.

As the second guy is leaving, the second guy warns the third guy, "Listen man, whatever you do, don't say he hasn't got any ears. He's so touchy with the ear thing."

"Okay," said man #3 on his way into the office.

Once inside he is told, "Name the first thing you notice when you look at me."

The guy answers, "That's easy, you wear contacts."

The interviewer was flabbergasted, "How on earth did you know that?"

The applicant answered, "Because, you can't wear glasses, you've got no ears!"

A New York attorney representing a wealthy art collector called his client, Saul. "I have some good news, and I have some bad news."

The art collector replied, "I've had an awful day. Give me the good news first"

The lawyer said, "Well, I met with your wife today, and she informed me that she just invested \$5,000 in two pictures that she thinks will bring a minimum of \$15 million to \$20 million, and I think she could be right."

Saul replied enthusiastically, "Well done! My wife is a brilliant businesswoman! You've just made my day. Now I know I can handle the bad news. What is it?"

The lawyer replied, "The pictures are of you and your secretary."

Studies show that elderly people with pets live longer than those without.

A blonde was driving home after a game & got caught in a really bad hailstorm. Her car was covered with dents, so the next day she took it to a repair shop. The shop owner saw that she was a blonde, so he decided to have some fun... He told her to go home and blow into the tail pipe really hard, & all the dents would pop out.

So, the blonde went home, got down on her hands & knees & started blowing into her tailpipe. Nothing happened. So she blew a little harder, and still nothing happened.

Her blonde roommate saw her & asked, 'What are you doing?' The first blonde told her how the repairman had instructed her to blow into the tail pipe in order to get all the dents to pop out.

The roommate rolled her eyes and said, 'Uh, like hello! You need to roll up the windows first.'

A cowboy rode into town and stopped at a saloon for a drink. Unfortunately, the locals had a habit of picking on strangers, which he was. When he finished his drink, he found his horse had been stolen. He went back into the bar, handily flipped his gun into the air, caught it above his head without even looking and fired a shot into the ceiling. "Which one of you sidewinders stole my horse?!" he yelled with surprising forcefulness.

No one answered. "Alright, I'm gonna have another beer, and if my horse ain't back outside by the time I finish, I'm gonna do what I dun in Texas! And I don't like to have to do what I dun in Texas!"

Some of the locals shifted restlessly. The man, true to his word, had another beer, walked outside, and his horse has been returned to the post. He saddled up and started to ride out of town. The bartender wandered out of the bar and asked, "Say partner, before you go... what happened in Texas?"

The cowboy turned back and said, "I had to walk home."

Church Mice.

It's a good thing we named most of the dinosaurs like a hundred years ago when all we were into was mythology and speaking Latin, if they just learned about dinosaurs now and had to name 100s there'd be a Heckin Chonkosaurus and a Northern Thicc Scaleyboy

Miss Beatrice, the church organist, was in her eighties and had never been married. She was admired for sweetness and kindness to all. One afternoon the pastor went to check on her and she showed him into her quaint sitting room. She invited him to have a seat while she prepared tea.

As he sat facing her old pump organ, the young minister noticed a cut-glass bowl sitting on top of it. The bowl was filled with water. In the water floated, of all things, a condom!

When she returned with tea and scones, they began to chat. The pastor tried to stifle his curiosity about the bowl of water and its strange floater, but soon it got the better of him and he could no longer resist.

"Miss Beatrice", he said, "I wonder if you would tell me about this?" pointing to the bowl. "Oh, yes" she replied, "isn't it wonderful? I was walking through the park a few months ago and I found this little package on the ground. The directions said to place it on the organ, keep it wet and that it would prevent the spread of disease. Do you know I haven't had the flu all winter!"
