FOR SALE

Lobster For Sale \$50

Selling my lobster, Goose, I love him dearly however it is time he found a new friend. Great with kids and pets, my dog is a little nervous around him but with proper training I'm sure your dog will love him just as much as I hope you will. He gets fussy when he isn't taken for a walk, he mainly eats small fish, however I have found that he loves a small piece of orange after dinner as dessert. He hates any music by Johnny Cash, if you play it he will destroy anything around him.

I think my dog always follows me to the bathroom because I always follow him outside and he thinks that's the way it works.
