An old man in Islamorada calls up his son in New York and says, "Listen, your mother and I are getting divorced. Forty-five years of misery is enough."

"Dad, what are you talking about?" the son screams.

"We can't stand the sight of each other any longer," he says. "I'm sick of her face, and

I'm sick of talking about this, so call your sister in Chicago and tell her," and he hangs up.

Now, the son is worried. So he calls up his sister. She says, "Like hell they're getting divorced!" and calls her father immediately. "You're not getting divorced! Don't do another thing, the two of us are flying home tomorrow to talk about this. Until then, don't call a lawyer, don't file a paper, DO YOU HEAR ME?" and she hangs up.

The old man turns to his wife and says "Okay, they're coming for Thanksgiving and paying their own airfares."

I watched a documentary on marijuana last night. That's probably how I'll watch all documentaries from now on.

We'll be turning clocks back soon. Gaining an extra hour in 2022 is like getting a bonus track on a Yoko Ono album.

My daughter woke me around 11:50 last night. My wife and I had picked her up from her friend Sally's birthday party, brought her home, and put her to bed. My wife went into the bedroom to read while I fell asleep watching the Braves game.

"Daddy," she whispered, tugging my shirt sleeve.

"Guess how old I'm going to be next month."

"I don't know, beauty," I said as I slipped on my glasses. "How old?"

She smiled and held up four fingers.

It is 7:30 am now. My wife and I have been up with her for almost 8 hours. She still refuses to tell us where she got them.

I'm not saying I order from Amazon a lot, but I just received a wedding invitation from one of their drivers.

I'M REALLY GETTING INTO THE THXGIVING SPIRIT, I'VE ALREADY GIVEN THE BIRD TO LOTS OF PEOPLE

If you think things are bad now, rumor has it that the next variant plays the accordion.

I always see more people walking into Walmart than out of Walmart. But the meat is cheap so I don't ask questions.

One hot summer day, a blonde came to town with her dog, tied it under the shade of a tree, and headed into a restaurant for something cold to drink.

Twenty minutes later, a policeman entered the restaurant and asked, 'Who owns the dog tied under that tree outside?'

The blonde said it was hers.

'Your dog seems to be in heat' the officer said.

The blonde replied, 'No way. She's cool 'cause she's tied up under that shade tree.'

The policeman said, 'No! You don't understand. Your dog needs to be bred.'

'No way,' said the blonde. 'My dog doesn't need bread. She isn't hungry 'cause I fed her this morning.'

The exasperated policeman said, 'NO! You don't understand. Your dog wants to have sex!'

(You gotta love this)

The blonde looked at the cop and said, 'Well, go ahead. I always wanted a police dog.'

If it is true that stress brings on weight loss, why the hell am I not invisible.

Studies now show that the most expensive vehicle to operate is a grocery store shopping cart!

An armed burglar entered a house mid-afternoon and found two people making passionate love. He held the man at gunpoint while he tied up the woman. He then ordered the man to open the safe and hand over the family's jewelry and other valuables. The frightened man started begging and said, "You can take anything you want even the thousand dollars or so in my wallet but please, please untie the ropes and let her go. The thief answered, "You must really love your wife!" The man then said, "Not particularly, but she'll be back from work soon".

Someone asked me if I had plans for the fall. It took me a moment to realize they meant "autumn", not the collapse of civilization.

I'm gonna quit my job and travel the world until I run out of money! I estimate I'll be home again around 10 PM this evening...

## Wife's Diary:

Tonight, I thought my husband was acting weird. We had made plans to meet at a nice restaurant for dinner.

I was shopping with my friends all day long, so I thought he was upset at the fact that I was a bit late, but he made no comment on it.

Conversation wasn't flowing, so I suggested that we go somewhere quiet so we could talk. He agreed, but he didn't say much.

I asked him what was wrong. He said. "Nothing".

I asked him if it was my fault that he was upset.

He said he wasn't upset, that it had nothing to do with me, and not to worry about it.

On the way home, I told him that I loved him.

He smiled slightly, and kept driving. I can't explain his behaviour. I don't know why he didn't say, 'I love you, too.'

When we got home, I felt as if I had lost him completely, as if he wanted nothing to do with me anymore. He just sat there quietly, and watched TV. He continued to seem distant and absent.

Finally, with silence all around us, I decided to go to bed. About 15 minutes later, he came to bed. But I still felt that he was distracted, and his thoughts were somewhere else. He fell asleep. I cried. I don't know what to do. I'm almost sure that his thoughts are with someone else. My life is a disaster
